## **After The Sheikhs The Coming Collapse Of The Gulf Monarchies:**

*After the Sheikhs* Christopher Davidson, 2013-10-01 The Gulf monarchies Saudi Arabia and its five smaller neighbours the United Arab Emirates Kuwait Qatar Oman and Bahrain have long been governed by highly autocratic and seemingly anachronistic regimes Yet despite bloody conflicts on their doorsteps fast growing populations and powerful modernising and globalising forces impacting on their largely conservative societies they have demonstrated remarkable resilience Obituaries for these traditional monarchies have frequently been penned but even now these absolutist almost medieval entities still appear to pose the same conundrum as before in the wake of the 2011 Arab Spring and the fall of incumbent presidents in Egypt Tunisia and Libya the apparently steadfast Gulf monarchies have at first glance re-affirmed their status as the Middle East's only real bastions of stability In this book however noted Gulf expert Christopher Davidson contends that the collapse of these kings emirs and sultans is going to happen and was always going to While the revolutionary movements in North Africa Syria and Yemen will undeniably serve as important if indirect catalysts for the coming upheaval many of the same socio-economic pressures that were building up in the Arab republics are now also very much present in the Gulf monarchies It is now no longer a matter of if but when the West's steadfast allies fall This is a bold claim to make but Davidson who accurately forecast the economic turmoil that afflicted Dubai in 2009 has an enviable record in diagnosing social and political changes afoot in the region

*Critical Muslim* 07 Ziauddin Sardar, Robin Yassin-Kassab, 2013-07-01 Malaysia and Indonesia are seen as bastions of liberal Islam Is this really true or simply a widely held misconception about south-east Asian Muslims What is the contribution of the Muslim archipelago to the world of Islam What can we learn from Malaysian and Indonesian experiments in democracy This issue of *Critical Muslim* addresses these questions by examining the politics history culture and religious traditions of Malaysia and Indonesia Contributors include Merryl Wyn Davies on Malaysian multiculturalism Luthfi Assyauckanie on Indonesia politics Carool Kersten on the struggles of Indonesian intellectuals Andre Vltchek on religion and tolerance in south-east Asia Andi Achdian on Islam in Java Ahmad Fuad Rahmat on the Malaysian intellectual guru Naguib Al Attas Shanon Shah on Malay Magic Jo Kukathas on Malayness Linda Christanty on literary stars of Indonesia Rossie Indira on Indonesian pop music and Nazry Bahrawi on reformist debates in south-east Asia About *Critical Muslim* A quarterly publication of ideas and issues showcasing groundbreaking thinking on Islam and what it means to be a Muslim in a rapidly changing interconnected world Each edition centers on a discrete theme and contributions include reportage academic analysis cultural commentary photography poetry and book reviews

***Qatar and the Arab Spring*** Kristian Coates Ulrichsen, 2014-12-15 *Qatar and the Arab Spring* offers a frank examination of Qatar's startling rise to regional and international prominence describing how its distinctive policy stance toward the Arab Spring emerged In only a decade Qatari policy makers led by the Emir Sheikh Hamad bin Khalifa Al Thani and his prime minister Sheikh Hamad bin Jassim Al Thani catapulted Qatar from a sleepy backwater to a regional power with truly international reach In addition to pursuing an

aggressive state branding strategy with its successful bid for the 2022 FIFA World Cup Qatar forged a reputation for diplomatic mediation that combined intensely personalized engagement with financial backing and favorable media coverage through the Al Jazeera. These factors converged in early 2011 with the outbreak of the Arab Spring revolts in North Africa, Syria and Yemen which Qatari leaders saw as an opportunity to seal their regional and international influence rather than as a challenge to their authority and this guided their support of the rebellions against the Gaddafi and Assad regimes in Libya and Syria. From the high watermark of Qatari influence after the toppling of Gaddafi in 2011 that rapidly gave way to policy overreach in Syria in 2012 Coates Ulrichsen analyses Qatari ambition and capabilities as the tiny emirate sought to shape the transitions in the Arab world.

**English as a Medium of Instruction on the Arabian Peninsula** Mark Wyatt, Glenda El Gamal, 2023-03-15 Focusing on English as a Medium of Instruction (EMI) in the Arab Gulf states the authors consider both sociolinguistic and pedagogical perspectives and explore practical implications. This edited volume features chapters covering how teachers are negotiating the linguistic challenges posed by EMI, issues of ownership, choice and agency, the scaffolding of academic literacies, how to support the development of content teachers' pedagogical content knowledge in EMI settings as well as the benefits of a bilingual education. Chapter authors all have extensive local experience that they draw upon reflectively in their writing. Policy makers, teachers and teacher educators wondering how they can best balance the need to develop competence in English in students of all ages on the Arabian Peninsula in a globalizing world together with the concern to nurture Arabic language culture and identity will gain rich insights from this book. Postgraduates and researchers exploring issues surrounding EMI both locally and internationally will benefit from the arguments presented in this volume.

**The Rough Guide to Dubai** Gavin Thomas, 2013-10-03 Now available in ePub format. A Political Economy of Arab Education Mohamed Alaa Abdel-Moneim,2015-09-07 The failure of reform policies in areas of critical importance to Arab populations such as health and education played a central role in igniting the Arab Awakening yet this policy perspective has been largely absent from recent studies of the region Arab regimes most reliant on repression to guarantee their survival were also those most vulnerable to mass politics Where threats to regime survival have been limited so have more meaningful reforms been possible finding an alternative to political change through focusing on soft policy areas such as education A Political Economy of Arab Education offers a comprehensive analysis of K 12 education systems in Arab countries deepening understanding of their administrative structures and outcomes and exploring how political considerations have impacted the ability of Arab regimes to engage in meaningful reform Taking a unique comparative political economy perspective it examines the reasons behind policy stagnation in Arab countries addressing the effects of size history and political stability on the design and implementation of policies and administrative structures Its informed analysis and comparison of education systems provides new insight into Arab regimes and highlights factors pulling them towards either stagnation or reform Examining the sustainability of reforms and establishing the benefits of engaging in meaningful change this book sheds light on why some regimes survived the Arab Spring while others crumbled and formulates convincing predictions on the potential for future regime change in the region This book will be of key interest to students and scholars of Middle Eastern Studies International and Comparative Education and Development Studies

**Saudi Arabia in a Multipolar World** Zakir Hussain,2016-04-14 The Kingdom of Saudi Arabia has established itself as the twelfth largest economy in the world the largest West Asian economic power world s largest oil producer and a strong and capable force in international politics particularly in the Sunni Islamic world However at present it is at crossroads Should it continue as a kingdom or usher in the process of inclusive political representation This volume answers such questions and explores how the state is coping with domestic regional and global developments to remain relevant in the changing times It provides a holistic overview of a slew of economic political cultural military and security policy measures that have been initiated by the government The work also offers a detailed analysis of Saudi Arabia s relations with three significant powers USA China and India and how they are evolving under new geopolitical and geostrategic dynamics This book will interest strategists policymakers researchers and students of international relations geopolitics political science and political economy as well as the informed reader

**Reconciliation, Heritage and Social Inclusion in the Middle East and North Africa** Iyad Muhsen AlDajani,Martin Leiner,2022-10-28 This book sponsored by the Academic Alliance for Reconciliation Studies in the Middle East and North Africa AARMENA focuses on peacebuilding conflict transformation and shifts toward approaching the

reconciliation process as an inter trans and multidisciplinary field The research presented in the series focuses on the Middle East and North Africa highlighting contributions by practitioners and scholars alike This volume showcases research on Heritage Reconciliation and Social Inclusion in the Middle East and North Africa It reflects various inter trans and multidisciplinary approaches applied both theoretically and practically and explores conflict transformation and transitional shifts towards peacebuilding and reconciliation in the MENA Middle East and North Africa region The content is divided into five sections the first of which examines the importance of reconciliation peacebuilding and social inclusion in contributions by experts in the field such as Martin Leiner Wolfgang Dietrich Mohammad Abu Nimer Mohmmad Alshraideh and Iyad Aldajani The second and third section explore digital humanities and the research sciences respectively while the fourth turns to practices of heritage and reconciliation The fifth section presents case studies on practices conducted by expert researchers for heritage reconciliation and social inclusion in higher education

**The Struggle of Entertainment and Neoliberal Postcolonial Capitalist Politics in "New" Saudi Arabia** Anas M. Alahmed, 2022-07-07 Anas M Alahmed argues that the Entertainment Authority of Saudi Arabia created in 2016 was meant to introduce a new Saudi to the Western outsider audience and that the new Saudi state is on a mission to transform the country from a traditional and conservative kingdom to a new state dedicated to social modernization and openness Alahmed contends that globalization and the neoliberalism capitalist mode of politics have reinforced the transformation of cultural production into global entertainment production Therefore the author shows how the entertainment sector relies heavily on reproducing the Western culture of entertainment production and depends on Western businesses to bring entertainment into the country instead of investing in local entertainment businesses which forces the state to adopt neoliberal capitalism The author provides evidence on how the new modernity of Saudi Arabia has become a political tool through which neoliberal capitalists can create positive relationships with Western capitals as part of the postcolonial struggle of neoliberalism in the Global South Alahmed argues that there is a connection between the role of geopolitical power in globalization and postcolonial studies that explains the struggles of indigenous cultures related to providing their own production to society

**Evolving Security Threats and Identity in the United Arab Emirates** Anna Reuß, 2025-09-26 This book examines and conceptualises the determinants of threat perceptions in the United Arab Emirates UAE and contributes to a better understanding of how a nation's self conception shapes its perceptions of in security and emphasises the relevance of these dynamics for policymaking It combines the societal approach of the English School of IR with securitization theory to offer a novel framework for analyzing threat perceptions This book is relevant to students of Middle Eastern studies gulf studies international relations and scholars who are interested in theoretical perspectives

*Government and Politics of the Contemporary Middle East* Tareq Y. Ismael, 2015-10-05 This exciting new edition of the successful textbook for students of Middle Eastern politics provides a highly relevant and comprehensive introduction to the complexities of a region in constant flux Combining a thematic

framework for examining patterns of politics with individual chapters dedicated to specific countries the book places the very latest developments and long standing issues within an historical context introducing key concepts from comparative politics to further explore the interaction between Middle Eastern history and the region s contemporary political development Presenting information in an accessible and inclusive format the book offers Coverage of the historical influence of colonialism and major world powers on the shaping of the modern Middle East A detailed examination of the legacy of Islam Analysis of the political and social aspects of Middle Eastern life alienation between state and society poverty and social inequality ideological crises and renewal Case studies on countries in the Northern Belt Turkey and Iran the Fertile Crescent Iraq Syria and Lebanon Israel Palestine and those West and East of the Red Sea Egypt and the members of the Gulf Cooperation Council moving through an historical examination to close analysis of the most recent developments and their political and social impacts Extensive pedagogical features including original maps and further reading sections provide essential support for the reader A key introductory text for students of Middle Eastern politics and history at advanced undergraduate and postgraduate levels this new edition has been extensively updated to also become a timely and significant reference for policy makers and any motivated reader      *Routledge Handbook of Sport in the Middle East* Danyel Reiche,Paul Michael Brannagan,2022-04-27 This Handbook provides a succinct overview of sport in the Middle East drawing in scholars from a wide variety of geographical and disciplinary backgrounds history politics sociology economics and regional studies with different methodological approaches to create the go to text on the subject After the introduction 33 chapters from leading subject experts cover areas including history politics society economy and nationhood The authors help shed light on how certain Middle Eastern countries have become increasingly active in international sports and the efforts made to positioning themselves as the new global sports hubs Split into five sections the book offers a multi disciplinary analysis of a diverse range of sports across the geographic Middle East including football mixed martial arts rugby athletics and cycling The authors highlight and respond to issues such as the naturalisation of athletes female athleticism sports media and supporter cultures The Routledge Handbook of Sport in the Middle East stands apart from previous research through offering first hand accounts of sport in the area from authors who live and work in the region or have a history of regularly visiting and conducting research in the region It will be of interest to academics and students alike in the fields of Middle East politics sport sport in the Middle East international relations governance and sociology      *State Capitalism's Uncertain Future* Scott B. MacDonald,Jonathan Lemco,2015-07-20 A provocative and timely look at the current state of global economics particularly how the state owned companies of Russia China Latin America and other emerging markets are influencing how people work how they consume and how they prosper The global economy is changing experts are noting slow growth in the advanced economies greater volatility in international markets and the emergence of state owned companies in the competitive marketplace This forward looking reference explores the role that state capitalism plays

within the political structures of countries throughout the world The text begins with an introduction to state capitalism moves into an in depth examination of several countries and regions and concludes with a discussion on the future of state capitalism in the next decade Coauthors Scott B MacDonald and Jonathan Lemco examine the challenges that state owned companies face in the global economy including a weak legal and commercial infrastructure a conflict of interest between politics and business and massive corruption in local and regional governments A close review of the perils of state capitalism based on meritocracy devolving into crony capitalism invites debate on the longevity of this economic system versus a free market economy *The Best of Times, The Worst of Times* Michael Burleigh, 2017-11-02 In the decades since the end of the Second World War it has been widely assumed that the western model of liberal democracy and free trade is the way the world should be governed However events in the early years of the twenty first century first the 2003 war with Iraq and its chaotic aftermath and second the financial crash of 2008 have threatened the general acceptance that continued progress under the benign or sometimes not so benign gaze of the western powers is the only way forwards And as America turns inwards and Europe is beset by austerity politics and populist nationalism the post war consensus looks less and less secure But is this really the worst of times In a forensic examination of the world we now live in acclaimed historian Michael Burleigh sets out to answer that question Who could have imagined that China would champion globalization and lead the battle on climate change Or that post Soviet Russia might present a greater threat to the world s stability than ISIS And while we may be on the cusp of still more dramatic change perhaps the risks will in time bring not only change but a wholly positive transformation Incisive robust and always insightful *The Best of Times The Worst of Times* by Michael Burleigh is both a dazzling tour d horizon of the world as it is today and a surprisingly optimistic vision of the world as it might become

*The Arab World and Iran* Amin Saikal, 2016-06-20 This volume focuses on interpreting the changing domestic and regional dynamics in the Arab world and Iran Its chapters discuss an array of countries events actors and issues from an examination of the Arab Spring and the Tunisian democratic transition to an exploration of the role of Saudi Iranian geostrategic rivalry to the impact of ethnic and sectarian politics in Syria Iraq and across the region Chapters from expert contributors are organized into three parts The first section of the volume covers the aspects and dynamics of change in the Arab world The second examines the role of Islam Islamism Islamic governance and sectarian and ethnic politics in the region The third section focuses on Iranian domestic and regional politics Yet the theme of transition is constant throughout as this multidisciplinary book draws connections across countries and events to not only inform about the prevailing regional situation but also to invite readers to draw their own conclusions as to the future of the Middle East Collectively the volume provides a fresh interpretation of the changing dynamics of the Arab world and Iran unpacking the complexities of the disputes conflicts rivalries failed goals and processes of change and development that have made the Muslim Middle East so turbulent directionless and perpetually contested by both regional and international actors **Online Activism in the**

**Middle East** Jon Nordenson, 2017-03-17 Does the internet facilitate social and political change or even democratization in the Middle East Despite existing research on this subject there is still no consensus on the importance of social media and online platforms or on how we are to understand their influence This book provides empirical analysis of the day to day use of online platforms by activists in Egypt and Kuwait The research evaluates the importance of online platforms for effecting change and establishes a specific framework for doing so Egypt and Kuwait were chosen because since the mid 2000s they have been the most prominent Arab countries in terms of online and offline activism In the context of Kuwait Jon Nordenson examines the oppositional youth groups who fought for a constitutional democratic monarchy in the emirate In Egypt focus surrounds the groups and organizations working against sexual violence and sexual harassment Online Activism in the Middle East shows how and why online platforms are used by activists and identifies the crucial features of successful online campaigns Egypt and Kuwait are revealed to be authoritarian contexts but where the challenges and possibilities faced by activists are quite different The comparative nature of this research therefore exposes the context specific usage of online platforms separating this from the more general features of online activism Nordenson demonstrates the power of online activism to create an essential counterpublic that can challenge an authoritarian state and enable excluded groups to fight in ways that are far more difficult to suppress than a demonstration

**Middle East Reloaded** Phillip O. Amour, Ph.D., 2018-08-01 The Middle East is a center of ceaseless global attention Since 2011 the long awaited and much celebrated Arab Spring uprisings portended a major shift in the politics of the Arab World Notably a number of Arab states witnessed institutional and constitutional shifts that put them on the path of transition to liberalization and democracy Nevertheless the Arab Spring followed a violent and unpredictable course Although its events marked a break in the continuity of authoritarian dominance most of its changes have not ultimately proved to be turning points in democratic development The Arab Spring phenomenon witnessed a set of uprisings and even would be revolutions but no great revolutionary change Edited by Professor Philipp Amour of prestigious Sakarya University this volume presents the work of numerous distinguished scholars including many native to the region who explore the fascinating variety of factors behind the rise and fall of the Arab Spring As they establish regional polarization and rivalries are the principal accompanying phenomena and side effects of the Arab Spring and they will demand the world's attention for decades to come Power dynamics between and among regional great powers have invited proactive protracted and very topical military and diplomatic involvement in domestic and regional politics Some of these interventions will uphold the status quo while others seem more likely to modify it for the powers strategic advantage Authored by leading world experts in Middle Eastern politics this collection explores foreign and security policy of regional great powers such as Iran Egypt Saudi Arabia Turkey the United Arab Emirates and their roles in the construction of the new Middle East

**Facets of Security in the United Arab Emirates** William Gueraiche, Kristian Alexander, 2022-01-23 The United Arab Emirates UAE has elaborated its own philosophy of security

Driven by emergencies and increasing risks both in the region and globally Emirati authorities have developed a sense of anticipation as well as an agility to react promptly to new threats through the ability to assess the risks in any given situation War and the avatars of conflict are a constant reality in the Middle East Transnational threats including the regional context the war in Yemen insecurity in the Levant and tensions with Iran affect the overall stability of the Peninsula and consequently that of the UAE Owing to the inclusion of the UAE in the networks of globalization non traditional security issues are not relegated to the background Issues such as COVID 19 immigration cybersecurity and human trafficking need to be addressed domestically as well as globally This volume offers a comprehensive and multifaceted examination of the traditional and non traditional security measures present in the UAE that allow the country to remain politically stable in an otherwise volatile region and aims to offer a comprehensive overview of all forms of security in the UAE
