*Seventh-day Adventist Elder's Handbook* Ministerial Association of Seventh-Day Adventists Staff,1994      **Pastor's & Elder's Handbook for Women's Ministries** General Conference of Seventh-Day Adventists. Women's Ministries Department,General Conference of Seventh-Day Adventists. Ministerial Association,2007      **Discipleship Handbook** General Conference Sabbath School and Personal Ministries,2018-01-01 There is no higher calling than to be a disciple of Jesus Christ Nothing compares to knowing and following the Savior of the world To know Him is to love Him and to follow Him is a wonderful adventure Still the discipleship journey is full of pitfalls and snares that threaten to lead us away from the narrow path that leads to heaven If the devil had his way every Christian would be lulled to spiritual slumber or led into forbidden paths that would steal the heart away from God Therefore even after we are baptized it is imperative that we continue to grow into active and mature disciples of Christ The Discipleship Handbook will benefit anyone seeking such an experience with Jesus It may be used for personal study or in Sabbath schools prayer meetings small groups or one on one settings It is more than a book about discipleship Rather it contains everything needed for a six month Bible based discipleship plan for Seventh day Adventist churches and their members The Discipleship Handbook was developed to ensure that the most essential areas of discipleship are covered The devotional life personal witnessing church life Christian lifestyle and evangelism each receive special emphasis For newer members the 26 chapters of the Discipleship Handbook serve as the heart of 26 weekly meetings with a more experienced mentor      *The Elder's Handbook* Louis M. Tamminga,2008-11 Serving your church as an elder is an important task but it can seem daunting Whether you re a first timer or have years of experience The Elder s Handbook a revised and updated version of Guiding God s People in a Changing World will help you carry out your ministry with compassion grace and effectiveness In this book you ll learn how to minister sensitively to your parishioners including those who are ill grieving or in trouble how to work with your church council and consistory how to make home visits comfortable and meaningful how to deal with conflict effectively and much more      **Home-Based Care Ministry** Judy Mathers,2019-08-06 We live in a broken world with broken people Often it is easy to ignore the needs of the people around us But what would God want us to do In His ministry here on earth Jesus reached out to the most hurt most abused and most reviled members of His community He healed not only their bodies but their spirits Should we do any less The Seventh day Adventist Church has a unique opportunity to serve the hurting in their community through a Home Based Care ministry With our mission to love serve and teach and with the numerous church resources already available we can do what many others cannot be the safe haven of health and healing that God intends His church to be While this book focuses on ministry to individuals and their families dealing with HIV and AIDS the principles found here can be applied to anyone with a terminal illness who finds himself herself on the other side of accepted society It shows us that instead of being critical we should accept where people and their choices have led them doing our best to minister with the love and care of Jesus
