missions and high altitudes that's what Captain Mike Shafer 10th Mountain Division US Army is all about. He never hesitates, not even when tasked with stopping a deadly virus from exploding in the Himalayas. At least not until he finds out he's going in with a single partner, Lucy Merritt. A woman. Soft. Super feminine. No military background, no combat training, armed with just a PhD in art history. Worst of all, she's gorgeous. Another word for deadly distraction. Then Mike finds out that Lucy isn't a hindrance to the mission. She is the mission. He's just the muscle. Lucy Merritt has made a point of creating a life for herself that's safe, unadventurous. She's already paid her dues to the CIA, having lost both her CIA operative parents in Nhala, a small Himalayan kingdom long ago. In her book, they've taken quite enough from her already. But they tell her that her country needs her. That she's the only one who can go into Nhala undercover with the dour but undeniably sexy Captain Mike at her side, posing as her fiancé. It's a disaster waiting to happen. She's a strong, independent woman, and here she is melting when a tough, sexy warrior smolders at her. She can't resist Mike's protective tenderness and the blaze of attraction between them, though giving into it could cost her everything. Then all hell breaks loose in Nhala, and Mike and Lucy will need all their passion and power just to survive, because it's not just their own lives at stake. Now the future of the entire world hangs in the balance. Exhilarating suspense makes for a captivating read; you will not want to put down. Steph, The Bookaholics Romance Book Club. I will always read a book with Lisa Marie Rice's name on it. Pat, Kindle Customer. PROTECTOR is a lightly rewritten and updated version of a previously published book entitled DARKNESS AT DAWN, published under the name Elizabeth Jennings.

The Courtesan's Protector Jess Michaels, 2025-04-08. Readers have been waiting for this ultra-romantic book from 10 Times USA Today Bestselling Author Jess Michaels. Former champion pugilist Campbell Ripley has been fascinated by Jane Kendall since the first time he saw her in the middle of a fight, and she distracted him enough to cause his famous scar. But people like Jane and Ripley are jaded and know that a happily ever after isn't for them. The kind of powerful connection they feel can only cause pain and danger. So they've become friends, and that's all it can be. Until Jane receives word that her beloved younger sister, who she has been protecting from her life as a courtesan, has vanished. She turns to Ripley for help, and the two embark on a journey to find her that will finally break down walls, allow for powerful passions, and perhaps even heal more than mere physical scars. If only the two of them can let each other in and start to trust that the friendship they share and the desire they can no longer fight is actually a love that will change them both for the better. This is the fourth book in the About an Earl series and can be read as a standalone.

Three men—an Iraqi, a former coalition soldier, and a journalist—drive together from Baghdad towards Fallujah as the US Marines encircle the city to take it apart. It seems the men are on a single mission to seek a recent kidnap victim, but in truth, all three have very different aims in the besieged town, and each keeps a dark secret from the others. Greed, ambition, and guilt are what separates their individual motivations, but a single miscalculation could bring an end to them all.
