By working actively with the materials in this book you are sure to expand your word base. Provided by publisher

Building Vocabulary with Greek and Latin Roots Timothy

Rasinski, Nancy Padak, Rick Newton, Evangeline Newton, 2020-01-03 Did you know that Greek and Latin roots make up 90% of English words of two or more syllables? Having an extensive vocabulary is key to students' reading comprehension. By adopting the strategies in this book, teachers will help their students read more effectively, setting a foundation for lifelong learning and reading success. This teacher-friendly resource, written by Timothy Rasinski, Nancy Padak, Rick M. Newton, and Evangeline Newton, provides the latest research on how to teach Greek and Latin roots. It includes anecdotes from teachers who have adopted these strategies and how they play out in today's classrooms. With a research-based rationale for addressing vocabulary in the classroom, this K-12 resource is full of strategies for increasing reading comprehension, instructional planning, and building a word-rich learning environment to support all students, including English language learners.

Literacy Assessment and Intervention for Classroom Teachers

Beverly A. DeVries, 2019-05-31 The fifth edition of this comprehensive resource helps future and practicing teachers recognize and assess literacy problems while providing practical, effective intervention strategies to help every student succeed. DeVries thoroughly explores the major components of literacy, offering an overview of pertinent research, suggested methods and tools for diagnosis and assessment, intervention strategies and activities, and technology applications to increase students' skills. Updated to reflect the needs of teachers in increasingly diverse classrooms, the fifth edition addresses scaffolding for English language learners and offers appropriate instructional strategies and tailored teaching ideas to help both teachers and their students. Several valuable appendices include assessment tools, instructions, and visuals for creating and implementing the book's more than 150 instructional strategies and activities and other resources. New to the Fifth Edition: Up to date and in line with ILA, CCSS, and most state and district literacy standards, this edition also addresses the important shifts and evolution of these standards. New chapter on Language Development: Speaking and Listening covers early literacy assessment and interventions. New intervention strategies and activities are featured in all chapters and highlight a stronger technology component. Updated Companion Website with additional tools, resources, and examples of
