**Handbook of Research on Business and Technology Incubation and Acceleration** Sarfraz A. Mian,Magnus Klofsten,Wadid Lamine,2021-03-26 This pioneering work explores both the theory and practice of business and technology incubation over the past six decades as an approach to new venture creation and development With a global scope the Handbook examines key concepts models and mechanisms providing a research based analytical foundation from which to understand the emerging role of modern incubation tools in building entrepreneurship ecosystems for promoting targeted economic development

Communities and Cultural Heritage Valerie Higgins,Diane Douglas,2020-11-29 Communities and Cultural Heritage explores the relationship between communities their cultural heritage and the global forces that control most of the world s wealth and resources in today s world Bringing together scholars and heritage practitioners from nine countries this book contributes to the ongoing dialogue on community heritage by analysing impediments to full community participation The underminin of local communities comes at a high price As the chapters in this book demonstrate the knowledge embedded within traditional and Indigenous heritage creates communities that are more resilient to environmental and social stressors and more responsive to contemporary challenges such as climate change environmental degradation post disaster recovery and relocation Cultural heritage practices often fail to capitalise upon local knowledge and traditional skills and undervalue the potential contribution of local communities in finding creative and resourceful solutions to the issues they are confronting Arguing that the creation of successful community heritage project requires ongoing reflection on the aims methods financing and acceptable outcomes of projects the volume also demonstrates that the decolonization of Western focussed heritage practices is an ongoing process by which subaltern groups are brought forward and given a space in the heritage

narrative Reflecting on trends that impact communities and heritage sites across different geographical regions Communities and Cultural Heritage will be of interest to academics students and practitioners of cultural heritage archaeology and anthropology around the world
