**Salvaged by Love** Harvey Hoff, 2017-12-06 This is the story of a sixty four year old man who tragically loses his wife to ovarian cancer after thirty eight years of marriage The years together were barren of children but filled with adventure and the many trials that confront couples during a young and maturing relationship The period following her death is accented by his vow to avoid any future relationship which may cause him to deal with the pain and heartbreak he endured while watching her suffer through this horrible disease He makes the decision to leave the city where they had lived for many years and to return to Texas leaving his friends and family behind This is evidence of his commitment to seclusion which will undoubtedly send his life on a downward course to loneliness Two phone calls interrupt his plan and ultimately lead to his meeting a friend of a friend who changes his life forever This story is one of tragedy downheartedness and romance *Salvaged by Love* can be an inspiration for any person who has lost a loved one It is a story of moving forward from guilt and fear often associated with such loss and of entering a new life while relishing past memories *Moody's Manual of Investments, American and Foreign; Banks, Insurance Companies, Investment Trusts, Real Estate, Finance and Credit Companies* ,1944
