'Die Groot 5'

Eendag in die sonnige savanne, was daar vyf spesiale vriende, die Afrika Groot Vyf. Leeu, die dapper koning, het 'n brul so sterk soos die wind.

Olifant, die grootste, het met sy lang slurp water gespuit. Renoster, met sy stewige horing, het rustig in die modder gerol. Buffel, met sy groot horings, het lekker in die gras gewei. En luiperd, die vinnige jagter, het saggies deur die bosse beweeg. Hulle het almal saam gespeel en die klein diertjies van die savanne beskerm. En so het hulle die beste vriende in die hele wildtuin geword.

The Manual that Never Came with your Child Jane Jarvis, 2015-11-25 Parents and caregivers struggle to cope with the demands of modern day living and need practical ways to help them raise happy well adjusted and independent children This book includes invaluable and practical advice on how to improve a child's planning and organisational skills how to tackle homework and general discipline The Manual That Never Came With Your Child shows parents caregivers how to create an appropriate environment for the child to do his or her homework the setting up of routines how to organise weekly and monthly planners how to teach a child to study how to devise the ultimate homework diary ideas on games and activities to improve a child's visual and auditory perceptual skills their reading spelling and times tables as well as fine and gross motor skills what children need to eat to optimise brain power The sticky issue of discipline is also covered comprehensively Written in easy laymen's terms the often humorous text is accompanied by full colour cartoon illustrations throughout which lightens the approach to issues that are often regarded as nightmares by despairing parents Where necessary there are also colour photographs Regular Handy Hints boxes are included to summarise the preceding concepts in a nutshell

Translating Picturebooks Riitta Oittinen, Anne Ketola, Melissa Garavini, 2017-10-10 Translating Picturebooks examines the role of illustration in the translation process of picturebooks and how the word image interplay inherent in the medium can have an impact both on translation practice and the reading process itself The book draws on a wide range of picturebooks published and translated in a number of languages to demonstrate the myriad ways in which information and meaning is conveyed in the translation of multimodal material and in turn the impact of these interactions on the readers' experiences of these books The volume also analyzes strategies translators employ in translating picturebooks including issues surrounding culturally specific references and visual and verbal gaps and features a chapter with excerpts from translators' diaries written during the process Highlighting the complex dynamics at work in the translation process of picturebooks and their implications for research on translation studies and multimodal material this book is an indispensable resource for students and researchers in translation studies multimodality and children's literature **A Companion to D.**

W. Griffith Charles Keil, 2018-02-05 The most comprehensive volume on one of the most controversial directors in American film history A Companion to D W Griffith offers an exhaustive look at the first acknowledged auteur of the cinema and provides an authoritative account of the director's life work and lasting filmic legacy The text explores how Griffith's style and status advanced along with cinema's own development during the years when narrative became the dominant mode when the short gave way to the feature and when film became the pre eminent form of mass entertainment Griffith was at the centre of each of these changes though a contested figure he remains vital to any understanding of how cinema moved from nickelodeon fixture to a national pastime playing a significant role in the cultural ethos of America With the renewed interest in Griffith's contributions to the film industry A Companion to D W Griffith offers a scholarly look at a career that

spanned more than 25 years The editor a leading scholar on D W Griffith and the expert contributors collectively offer a unique account of one of the monumental figures in film studies Presents the most authoritative complete account of the director s life work and lasting legacy Builds on the recent resurgence in the director s scholarly and popular reputation Edited by a leading authority on D W Griffith who has published extensively on this controversial director Offers the most up to date singularly comprehensive volume on one of the monumental figures in film studies
