Can't Dream Without You Tanya Reimer, 2016-01-08 Legends say that tens of thousands of years ago Whisperers were banished from the heavens torn in half and dumped on a mortal realm they didn't understand Longing for their other half they went from being powerful immortals to lonely leeches relying on humans to survive Over the years they earned magic from demons they left themselves Notebooks with hints and by pairing up with human souls they eventually found their other halves Humbled by their experiences they discovered the true purpose of life and many were worthy of returning to the heavens But many were not The Dark Chronicles are stories that share the heartache of select unworthy Whisperers on their journey to immortality after The War of 2019 Can't Dream Without You is one of those stories in which we meet Steve and Julia two such heroes Steve isn't a normal boy He plays with demons his soul travels to a dream realm at night using mystical butterflies and soon he'll earn the power to raise the dead Al thinks that destroying him would do the world a favour yet he just can't kill his own son Wanting to acquire the power that raises the dead before Steve does Al performs a ritual on Steve's sixteenth birthday He transfers Steve's dark magic to Julia an innocent girl he plans to kill But Steve is determined to save Julia and sucks her soul to Dreamland From the dream world he invokes the help of her brother to keep her safe Five years later Steve can't tell what's real or what's a nightmare Julia's brother wants to kill him a strange bald eagle is erasing memories and Steve's caught in some bizarre bullfight on another realm with a cop hot on his trail looking to be Julia's hero All the while Steve and Julia must fight the desperate need to make their steamy dreams a reality
