Against The Country A Novel:

Against the Country Ben Metcalf, 2018-08-21 NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY VULTURE AND ONE OF THE BEST BOOKS OF THE YEAR BY NPR *Against the Country* is a gift for fans of Southern Gothic and metafiction alike Set in the Virginia pines and overrun with failed parents racist sex offenders cast off priests and suicidal chickens this novel challenges literary convention even as it attacks our national myth that the rural naturally engenders good while the urban breeds an inevitable sin In a voice both perfectly American and utterly new Ben Metcalf introduces the reader to Goochland County Virginia a land of stubborn soil voracious insects lackluster farms and horrifying trees and details one family's pitiful struggle to survive there Eventually it becomes clear that Goochland is not merely the author's setting it is a growing throbbing menace that warps and scars every one of his characters lives Equal parts fiery criticism and icy farce *Against the Country* is the most hilarious sermon one is likely to hear on the subject of our native soil and the starkest celebration of the language our land produced The result is a literary tour de force that raises the question Was there ever a narrator in all our literature so precise so far reaching so eloquently misanthropic as the one encountered here Praise for *Against the Country* Iconoclastic *Against the Country* has obvious affinities to Southern Gothic both in its voice and in the delight it takes in rural ignorance and grotesqueries A country cousin of David Foster Wallace The New York Times Book Review Exceptional in its verbal brilliance and conscientiousness *Against the Country* involves us in a family's anguished and hilarious struggle against the strange dooms that seem peculiar to white rural America This is a savage and gladdening novel Joseph O'Neill author of *Netherland* and *The Dog* Metcalf's unnamed narrator dazzles with his Puritan deadpan and capacious intellect not to mention his double barreled blasts of dark humor and wicked satire There are so many brilliant turns of phrase in *Against the Country* that it's hard to choose favorites but Metcalf is at his sharpest and most seductive when his antihero does more than blast and blame when he steps outside his sermons to say something real Every note in every solo is sounded with exquisite perfection Slate Faulknerian eccentric magnificent Southern Gothic metafiction Vanity Fair Ben Metcalf is a brilliant writer and *Against the Country* is an ingenious and hilarious novel a glittering bitter celebration of how the lousiness of life can be redeemed in the hands and mouth of a top shelf teller of life's stories Sam Lipsyte author of *The Ask* and *The Fun Parts* A daring conglomeration of every trick swindle and gimmick possible using only ink and paper a pulpwood imagination machine so finely and expertly wrought that it can take on Jefferson Thoreau the church patriotism race relations sexual identity J.D. Salinger the myth of America and a thousand other targets *Against the Country* is absolutely and completely worth all investment of time and effort because it is an undeniably beautiful object sharp as a new razor NPR One of the more necessary and most eloquent expressions of a distinctly American provincial rage in some years Flavorwire *Against the Closet* Aliyyah I. Abdur-Rahman, 2012-09-04 Aliyyah I. Abdur Rahman argues that from the mid nineteenth century through the twentieth black writers used depictions of transgressive sexuality to express

African Americans longings for individual and collective freedom The Amish of Big Sky Country Novels Kelly Irvin,2021-02-09 All three novels from beloved author Kelly Irvin s Amish of Big Sky Country series together in one collection Mountains of Grace Mercy Yoder loves her life in the tiny village of West Kootenai And she is in no rush to get married much to the disappointment of her parents When a devastating wildfire threatens to destroy her beloved community Mercy and her family evacuate to the nearby town of Eureka There she meets Spencer McDonald an Englisch smoke jumper She finds his directness and ability to express his feelings refreshing and completely different from Caleb who is tightlipped about his past But what would her family and community say if Mercy chose a relationship with an Englicher A Long Bridge Home When the Mast family is forced to evacuate their home in West Kootenai Christine chooses not to move with her family to her father s childhood home in Kansas Instead she wants to stay close to her beau Andy Lambright who has yet to ask for her hand in marriage Now Christine is on her own for the first time in her life While working in her uncle s store Christine meets Raymond Old Fox whom she befriends and he introduces her to his rich native culture with strong ties to the earth and nature Despite the warnings of her aunt and uncle Christine is inexplicably drawn to Raymond and her mind is opened to a heritage far different from her own With her newly expanding horizons Christine wonders if she can return to the domestic life that is expected of her Her heart still longs to be with Andy but she isn t the same person she was before the fire and she wonders if he can accept who she is becoming Peace in the Valley Nora Beachy works in the community store in West Kootenai takes care of her family and courts with Levi Raber She and Levi plan to marry but Levi wants to wait until he has the money to buy them a house before he pops the question Nora doesn t want to wait Is something keeping Levi from marrying her Nora s peaceful existence is swept away when wildfires threaten her family s home She s forced to evacuate to Libby where she stays with family in an Amish community that embraces a charismatic style of worship rejected by her own parents and the Kootenai district elders Nora s drawn to the emotional powerful style of worship and knows she s headed for a shunning if she doesn t stop breaking the rules Will she sacrifice her relationship with Levi and her family for a different kind of faith In Another Country Priya Joshi,2002 Asking what Indian readers chose to read and why In Another Country shows how readers of the English novel transformed the literary and cultural influences of empire She further demonstrates how Indian novelists writing in English from Krupa Saththianadhan to Salman Rushdie took an alien form in an alien language and used it to address local needs Taken together in this manner reading and writing reveal the complex ways in which culture is continually translated and transformed in a colonial and postcolonial context **The Boy's Country-Book, Being the Real Life of a Country Boy. Altbach,Edith S. Hoshino,2015-05-08 First Published in 1996 This encyclopedia is unique in several ways As the first international reference source on publishing it is a pioneering venture Our aim is to provide comprehensive discussion and analysis of key subjects relating to books and publishing worldwide The sixty four essays included here feature not only factual and statistical information about the topic but also analysis and evaluation of those facts and figures The chapters are significantly more comprehensive than those typically found in an encyclopedia A Country Book William Howitt,2023-02-13 Reprint of the original The publishing house Anatiposi publishes historical books as reprints Due to their age these books may have missing pages or inferior quality Our aim is to preserve these books and make them available to the public so that they do not get lost **Analysis and Review of the Blue Book of the Royal Commission on Capital Punishment** William Tallack,1866 **The Spectator** ,1898 Irish Novels 1890-1940 John Wilson Foster,2008-02-21 Studies of Irish fiction are still scanty in contrast to studies of Irish poetry and drama Attempting to fill a large critical vacancy Irish Novels 1890 1940 is a comprehensive survey of popular and minor fiction mainly novels published between

1890 and 1922 a crucial period in Irish cultural and political history Since the bulk of these sixty odd writers have never been written about certainly beyond brief mentions the book opens up for further exploration a literary landscape hitherto neglected perhaps even unsuspected This new landscape should alter the familiar perspectives on Irish literature of the period first of all by adding genre fiction science fiction detective novels ghost stories New Woman fiction and Great War novels to the Irish syllabus secondly by demonstrating the immense contribution of women writers to popular and mainstream Irish fiction Among the popular and prolific female writers discussed are Mrs J H Riddell B M Croker M E Francis Sarah Grand Katharine Tynan Ella MacMahon Katherine Cecil Thurston W M Letts and Hannah Lynch Indeed a critical inference of the survey is that if there is a discernible tradition of the Irish novel it is largely a female tradition A substantial postscript surveys novels by Irish women between 1922 and 1940 and relates them to the work of their female antecedents This ground breaking survey should also alter the familiar perspectives on the Ireland of 1890 1922 Many of the popular works were problem novels and hence throw light on contemporary thinking and debate on the Irish Question After the Irish Literary Revival and creation of the Free State much popular and mainstream fiction became a lost archive neglected evidence indeed of a lost Ireland **The Constitutional Year Book** ,1908 Country-side ,1908 Science gossip and Country queries and notes are incorporated with this **Men Against the Sea - Book Set** James Norman Hall,2023-11-23 In Men Against the Sea James Norman Hall crafts a gripping narrative that intertwines themes of survival camaraderie and the profound challenges of the human spirit against the vastness of the ocean This book a companion to Hall s earlier work Mutiny on the Bounty employs a compelling literary style that oscillates between vivid realism and lyrical prose delving into the psychological and physical trials faced by castaways stranded in the South Pacific Set against the backdrop of World War II Hall expertly captures not just the immediate dangers of the sea but also the deeper emotional currents that propel the characters toward resilience and hope James Norman Hall an American writer and aviator is best known for his collaborations with Charles Nordhoff which include the acclaimed Bounty trilogy Drawing from his own extensive maritime experiences and the tumultuous historical context of his time Hall s writing reflects a profound fascination with the complexities of human nature when confronted with adversities making Men Against the Sea a poignant exploration of endurance This book is highly recommended for readers interested in nautical fiction survival narratives and historical accounts that reflect the human condition Hall s evocative storytelling and keen insights offer not only an engaging adventure but also a profound meditation on what it means to confront the forces of nature and the very essence of survival
