Feminist Mysticism and Images of God Jennie S Knight, 2011-02-28 Feminist theologians often claim that women s experience is their starting point However most feminist theology is remarkably void of analysis of particular women s experiences of imaging God In this book Knight provides practical recommendations to help people transform images in the context of religious practices What difference does it make whether we picture God as an elderly white grandfather a nurturing African American mother or a stranger on the bus Jennie Knight says our image of God affects how we see ourselves how we worship how we treat one another how or whether we work for justice and a host of other life practices But after years of knowing intellectually that God transcends a specific human type Knight still struggles to make an emotional connection with God in different forms She suspects that that struggle is why many seminarians who wrote papers about thea theology abandon nontraditional God images once they hit parish ministry perpetuating the practice of seeing God as a European male on a throne and all the accompanying problems that such imagery creates Knight believes that personal and critical reflection in the context of a supportive learning community combined with experiences of diverse images for the divine in worship can lead to profound changes in self image relationship with the divine and agency in the world This book aims to demonstrate why and how this transformation is both possible and necessary The popularity of *The Shack* *The Secret Life of Bees* *Joan of Arcadia* and other works with nontraditional God figures reveals a culture ready to embrace God in many forms Knight examines how the church can do the same

Black Pain Terrie M. Williams, 2009-01-06 Terrie Williams knows that Black people are hurting She knows because she s one of them Terrie had made it she had launched her own public relations company with such clients as Eddie Murphy and Johnnie Cochran Yet she was in constant pain waking up in terror overeating in search of

relief For thirty years she kept on her game face of success exhausting herself daily to satisfy her clients needs while neglecting her own Terrie finally collapsed staying in bed for days She had no clue what was wrong or if there was a way out She had hit rock bottom and she needed and got help She learned her problem had a name depression and that many suffered from it limping through their days hiding their hurt As she healed her mission became clear break the silence of this crippling taboo and help those who suffer Black Pain identifies emotional pain which uniquely and profoundly affects the Black experience as the root of lashing out through desperate acts of crime violence drug and alcohol abuse eating disorders workaholism and addiction to shopping gambling and sex Few realize these destructive acts are symptoms of our inner sorrow Black people are dying Everywhere we turn in the faces we see and the headlines we read we feel in our gut that something is wrong but we don't know what it is It's time to recognize it and work through our trauma In Black Pain Terrie has inspired the famous and the ordinary to speak out and mental health professionals to offer solutions The book is a mirror turned on you Do you see yourself and your loved ones here Do the descriptions of how the pain looks feels and sounds seem far too familiar Now you can do something about it Stop suffering The help the community needs is here a clear explanation of our troubles and a guide to finding relief through faith therapy diet and exercise as well as through building a supportive network and eliminating toxic people Black Pain encourages us to face the truth about the issue that plunges our spirits into darkness so that we can step into the healing light You are not on the ledge alone **Contraband Guides** Paul H. D.

Kaplan,2020-04-23 In his best selling travel memoir The Innocents Abroad Mark Twain punningly refers to the black man who introduces him to Venetian Renaissance painting as a contraband guide a term coined to describe fugitive slaves who assisted Union armies during the Civil War By means of this and similar case studies Paul H D Kaplan documents the ways in which American cultural encounters with Europe and its venerable artistic traditions influenced nineteenth century concepts of race in the United States Americans of the Civil War era were struck by the presence of people of color in European art and society and American artists and authors both black and white adapted and transformed European visual material to respond to the particular struggles over the identity of African Americans Taking up the work of both well and lesser known artists and writers such as the travel writings of Mark Twain and William Dean Howells the paintings of German American Emanuel Leutze the epistolary exchange between John Ruskin and Charles Eliot Norton newspaper essays written by Frederick Douglass and William J Wilson and the sculpture of freed slave Eugene Warburg Kaplan lays bare how racial attitudes expressed in mid nineteenth century American art were deeply inflected by European traditions By highlighting the contributions people of black African descent made to the fine arts in the United States during this period along with the ways in which they were represented Contraband Guides provides a fresh perspective on the theme of race in Civil War era American art It will appeal to art historians to specialists in African American studies and American studies and to general readers interested in American art and African American history Doing Gender Diversity Rebecca F. Plante,Lis M.

Mau,2018-04-17 This cutting edge reader demonstrates the multiple ways in which the universe of gender is socially culturally and historically constructed The selections focus on gender itself how gender operates socioculturally exists functions and is presented in micro and macro interactions In order to avoid balkanization the authors examine the various ways in which culture intersects with individuals to produce the range of presentations of self that we call gender from people born male who become adult men to lesbian women to transmen and everyone else on the diverse gender spectrum

Black Women in America Kim Marie Vaz,1994-11-02 Nominated for the 1995 Distinguished Publication Award of the Association for Women in Psychology A provocative insightful volume Black Women in America offers an interdisciplinary study of black women s historic activism representation in literature and popular media self constructed images and current psychosocial challenges This new work by outstanding scholars in the field of race and gender studies explores the ways in which black women have constantly reconstructed and transformed alien definitions of black womanhood Black women have an image of themselves that differs from those others impose Collectively the contributors to this anthology demonstrate that such socially constructed images hide the complexities and ambiguities the challenges and the joys experienced in the real lives of black women Multifaceted in its approach Black Women in America is certain to stimulate debate stretch minds and spark future research Black Women in America is a welcome resource for scholars and students in African American or Ethnic Studies Women s Studies Sociology and Psychology The volume can be helpful in stimulating questions and discussion for students in African American studies Choice Black Women in America combines social history with contemporary analysis in one of the most thoughtful of scholarly compendia I have ever seen It will be useful to scholars who teach history sociology African American studies and women s studies but also to any American interested in a deeper and broader understanding of America s past present and future Sarah Susannah Willie Colby College Maine At a time when several anthologies of essays by and about black women are hitting the shelves Kim Marie Vaz s volume boasts an unusual and inventive mix of topics It treats a range of historical eras and geographical locations The apt emphasis on resistance rather than victimization is apparent throughout the essays I read it provides an excellent focal point In all Vaz s editorial contribution is admirable She has collected an impressively wide ranging group of essays on the history sociology and culture of black women Interdisciplinary in its approach and sound in its scholarship the volume will be welcomed by scholars and students in African American studies and women s studies in particular but also history sociology and political science Cheryl Ann Wall Rutgers University
