My Only Story Deon Wiggett, 2020-10-02 In November 2019 Deon Wiggett's sensational weekly podcasts held South Africa in thrall as he hunted down the paedophile who raped him as a schoolboy Now in *My Only Story* he completes his exposé of Willem Breytenbach the once brilliant teacher and later media luminary who led a predatory life Deon's mission to expose his abuser takes him from Breytenbach's high school years at an agricultural school in South Africa's hinterland to the famous Grey College in Bloemfontein and the media titan Naspers But his quest reveals so much more As he traces systemic failures through schools great and small he uncovers a culture of complicity that presents a clear and horrid danger to South Africa's children While investigating men who prey on boys and girls Deon devises a model that anyone can use to identify paedophiles in their midst In his own words It's pleasant to pretend that men don't rape children but once you accept that they do it becomes surprisingly easy to recognise their trickery Once you match a universal pattern to a specific man's profile you can spot the deceit before it is too late *My Only Story* is a riveting thoughtful and often irreverent account of one man's determination to overcome childhood trauma to help others face their demons and to extract some beauty from the boyhood he lost

Rossouw, Elda de Waal, Johan Beckmann, Johan Botha, Franciska Bothma, André du Plessis, Elize Küng, Nicholas Mollo, Ewelina Niemczyk, Louise Postma, Erika Serfontein, Marius Smit, Charl C. Wolhuter, 2019-12-12 The focus of this publication is on answering the central research question How can Human Rights be advanced with regard to different kinds of diversities and in different educational settings The publication pays special attention to the advancement of human rights in a variety of education related contexts in keeping with human rights as a declared national priority for both society at large and the education system One strategic priority of the Faculty of Education is research based on market requirements and needs This book strives towards meeting this expectation by directly aiming at building human rights and social justice in the South African society public schools and higher education institutions Adjudication in the education context of the constitutional values of dignity equality and freedom focusses

regularly on learners The book highlights the value of education for full fledged citizenship by delineating what schooling should entail to inspire learners towards both claiming equal freedoms and rights and taking accountability for the responsibilities attached to citizenship **Research in Education** ,1969-05 *General Report - Transvaal Education Department* Transvaal (South Africa). Assessing Academic Literacy in a Multilingual Society Albert Weideman,John Read,Theo du Plessis,2020-11-02 South African universities face major challenges in meeting the needs of their students in the area of academic language and literacy The dominant medium of instruction in the universities is English and to a much lesser extent Afrikaans but only a minority of the national population are native speakers of these languages Nine other languages can be media of instruction in schools which makes the transition to tertiary education difficult enough in itself for students from these schools The focus of this book is on procedures for assessing the academic language and literacy levels and needs of students not in order to exclude students from higher education but rather to identify those who would benefit from further development of their ability in order to undertake their degree studies successfully The volume also aims to bring the innovative solutions designed by South African educators to a wider international audience *Blackie's Concise English Dictionary* Blackie, Concise English Dictionary *Origin and Evolution of Precambrian High-grade Gneiss Terranes, with Special Emphasis on the Limpopo Complex of Southern Africa* D.
