Sidney Cotton Jeffrey Watson,2011-03-01 Born in Queensland Sidney Cotton served as a pilot in World War I and over the next twenty years did everything from delivering mail in Newfoundland to entering the world of aerial reconnaissance on behalf of M16 making numerous spy flights over Germany and Italy For a time he had the direct support of Churchill but fell out with the authorities because of his unorthodox style which included accepting money to fly people out of Paris as it fell He ran guns in India after partition and led the high life but in the end was left bankrupt after oil exploration in Saudi Arabia went wrong *Transactions Asiatic Society of Japan*,1919 Stormrider David Gemmell,2002-02-26 Spellbinding action and breathless adventure these are the realms of David Gemmell His mythic characters represent the ultimates in good and evil and everything in between Brilliant warriors they are heartbreakingly human in their ability to love sacrifice and summon extraordinary courage when all seems lost With Stormrider Gemmell continues his spectacular Rigante saga as the imperiled highland clan faces its deadliest threat and calls for its greatest hero STORMRIDER A Novel of the Rigante Centuries ago Connavar's triumphant battles against the invading army of Stone gained the Rigante their freedom yet magic

that once flourished has been all but snuffed out The Varlish king and his barons have stolen Rigante lands and robbed the people of their culture and liberty From the Rigante s former seat of power the black hearted Moidart rules only in the north are the clansmen free There in the Druagh mountains the magic still reigns strengthened by bold brilliant victories of the outlaw leader known as Ravenheart One glorious spark one moment of Rigante rebellion has ignited a revolution and forged a legend The conquered clans set about to rediscover their greatness yet theirs is not the only call to arms In the south civil war has drenched the land in blood and the armies of destruction have begun creeping north There the brooding Ravenheart waits knowing the forces of the hated Moidart will come led by the brutal ruler s only son Stormrider Ravenheart and Stormrider enemies of uncommon courage are unaware that the fate of the world lies in their hands Faced with this inexorable advance deadly foes will be forced to unite and a secret lost in the uncharted past will return to haunt these two warriors as they face the vengeance of an ancient evil Immense armies of darkness advance on the highlanders and it seems as if nothing will stop them They crush their enemies with ease until only a few thousand men stand before them with no help in sight But these are not ordinary men they face They are clansmen and more than that they are Rigante The Century Dictionary ,1891
