Petrisko, 2000-05 From as far back as the 16th century when St Edmund Campion of England spoke of a great day that would reveal all men s consciences a coming day of enlightenment has been foretold Known as the Warning or the Mini Judgment it is purported to be a day in which God will supernaturally illuminate the conscience of every man woman and child on earth Each person then would momentarily see the state of their soul through God s eyes and realize the truth of His existence afterwhich it is said the world will never be the same This predicted event is now said to be imminent as talk concerning the certainty of this miracle has intensified This comprehensive and authoritative guide uses Scripture and testimony from the Saints and Visionaries to help explain the coming great miracle of God s Mercy **Animals in Heaven?** Susi Pittman, 2009 It is always hard to say good bye As Catholics we know that our human loved ones are called by Christ to join Him in eternity dwelling in heavenly bliss before God enlightened by the light of glory sharing in the fullness of the eternal life Christ has

prepared for us But what about our pets and the animals that fill the earth and our lives with such special beauty Does God have a place for them Where do animals go when they die Are they just dust What is the destiny of creation Does God really care about any of creation besides man Would God the Author of all life cast the non human creation He called good into nothingness Isn t it illogical to believe that God would find worthless that which is hard wired to give Him praise Is it so hard to understand that animals created by God with a particular good would not also have knowledge of their Creator It is a universal concern for stewards of creation who in their humanness consider such questions in their hearts I write this book as a way to explore tenets of the Catholic faith that address creation of bringng insight and spiritual truths to animal lovers and lovers of creation and as evidential support of the truth that all cration was given its order time place and purpose from its Creator who sustains and preserves it at all times always
