A Time In China:

Once Upon a Time in China Jeff Yang, 2003 From Jackie Chan to Ang Lee from Supercop to Crouching Tiger Hidden Dragon Chinese cinema has truly arrived in the U S Filled with photos and tidbits this is the definitive book for anyone who has already fallen in love with Chinese cinema and all those who are looking to learn more about it [The Politics of Time in China and Japan](#) Viren Murthy, 2022-06-24 Drawing on a wide range of texts and using an interdisciplinary approach this volume shows how Chinese and Japanese intellectuals mobilized the past to create a better future It is especially significant today given a world where amidst tensions within Asia and the rise of China East Asian intellectuals and governments constantly find new political meanings in their traditions The essays illuminate how throughout Chinese and Japanese history thinkers constantly weaved together nationalism internationalism and a politics of time This volume explores a broad range of subjects such as premodern and early modern attempts to conjure a politics of Confucianism twentieth century Japanese Marxist interpretations of Buddhism and Japanese and Chinese endeavors to imagine a new world order In sum this book shows us why understanding East Asian pasts are essential to making sense of ideological trends in contemporary China and Japan For example without understanding Confucianism and how modern intellectuals in China grappled with this body of thought we would be unable to make sense of the Chinese government s current promotion of the Chinese classics This book will interest students and scholars of political science history Asian studies sociology and philosophy [Women in China from Earliest Times to the Present](#) Robin D. S. Yates, 2009 This essential reference work provides an alphabetic listing with an extensive index of studies on women in China from earliest times to the present day written in Western languages primarily English French German and Italian Containing more than 2500 citations of books chapters in books and articles especially those published in the last thirty years and more than 100 titles of doctoral dissertations and Masters theses it covers works written in the disciplines of anthropology and sociology art and archaeology demography economics education fashion film and media studies history interdisciplinary studies law literature music medicine science and technology political science and religion and philosophy It also contains many citations of studies of women in Hong Kong and Taiwan **The United States Army in China, 1900-1938** Alfred Emile Cornebise, 2015-07-04 A study of U S Chinese relations involving the U S Army this work focuses at the personnel level on the Army s service in China While studies have been published of the U S Marines and U S Navy s involvement in China little attention has been given the Army s missions in this theater Operations in China were a key part of the history and traditions of the 9th 14th 15th and 31st Regiments whose coats of arms still feature dragons as symbols of their service there Many who served in the 15th in China went on to impressive careers as general officers prompting one soldier to ask what other infantry regiment of those days can boast of such an alumni list Also covered is the 31st Regiments involvement in Shanghai during the Second Sino Japanese War the prelude of the coming of World War II in Asia *Jet Li* Sabrina Q Yu, 2012-04-04 This is the first study of Chinese stars and their

transnational stardom examining the transnational Chinese actor Jet Li probably the best martial arts actor alive Jet Li's career has crossed numerous cultural and geographic boundaries from mainland China to Hong Kong from Hollywood to France In *Jet Li Chinese Masculinity and Transnational Film Stardom* Sabrina Qiong Yu uses Li as an example to address some intriguing but under examined issues surrounding transnational stardom in general and transnational kung fu stardom in particular Presenting case studies of audiences responses to Jet Li films and his star image this book explores the way in which Li has evolved from a Chinese wuxia hero to a transnational kung fu star in relation to the discourses of genre gender sexuality ethnicity and national identity By rejecting a text centred approach which prevails in star studies and instead emphasising the role of audiences in constructing star image this book challenges some established perspectives in the study of Chinese male screen images and martial arts action cinema **Vital Factors in China's Problems** Teng Hwee

Lee, Denghui Li, 1928 **The Implications of China-Taiwan Economic Liberalization** Daniel H. Rosen, Zhi Wang, 2011 China and Taiwan have built one of the most intertwined and important economic relationships in the world and yet that relationship is not mutually open compliant with World Trade Organization norms or even fully institutionalized What's more despite massive trade and investment flows the boundary between the two is a serious flashpoint for potential conflict But leaders in Beijing and Taipei have committed to normalize and deepen their economic intercourse and open a new post Cold War era in their relationship While the political significance of this gambit has captured attention worldwide the scope of opening intended and the bilateral regional and global effects likely to ensue are as yet poorly understood This volume attempts to remedy that uncertainty with careful modeling combined with a qualitative assessment of the implications of the cross strait economic opening now agreed in an Economic Cooperation Framework Agreement ECFA The study explores the implications for Taiwan and China for their neighbors and for the United States if this undertaking is fully implemented by 2020 *New Perspectives on State Socialism in China* Timothy Cheek, Tony Saich, 1997-04-30 Placing Chinese Community Party history in the realm of social history and comparative politics this text studies the roots of the policy failures of the late Maoist period and the tenacity of the CCP **Becoming Bilingual in School and Home in Tibetan Areas of China:**

Stories of Struggle YiXi LaMuCuo, 2019-07-09 This book contributes significantly to our understanding of bilingualism and bilingual education as a sociocultural and political process by offering analyses of the stories of five Tibetan individual journeys of becoming bilingual in the Tibetan areas of China at four different points in time from 1950 to the present The data presented comprises the narrative of their bilingual encounters including their experiences of using language in their families in village and in school Opportunities to develop bilingualism were intimately linked with historical and political events in the wider layers of experiences which reveal the complexity of bilingualism Moreover their experiences of developing bilingualism are the stories of struggle to become bilingual They struggle because they want to keep two languages in their lives It illustrates their relationship with society They are Tibetans L1 is not the official language of their

country but it is the tie with their ethnicity It addresses bilingualism linked with the formation of identity The unique feature of this book is that it offers a deep understanding of bilingualism and bilingual education by examining the stories of five individuals learning experiences over a period of almost 60 years

The Making of China's Foreign Policy in the 21st century Suisheng Zhao,2018-02-02 This book is a study of the making of foreign policy of China a rising power in the 21st century It examines three sets of driving forces behind China s foreign policy making One is historical sources including the selective memories and reconstruction of the glorious empire with an ethnocentric world outlook and the century of humiliation at the hands of foreign imperialist powers The second set is domestic institutions and players particularly the proliferation of new party and government institutions and players such as the national security commission foreign policy think tanks media and local governments The third set is Chinese perception of power relations particularly their position in the international system and their position relations with major powers This book consists of articles from the Journal of Contemporary China

Environmental Pollution in China

Daniel K. Gardner,2018 When Deng Xiaoping introduced market reforms in the late 1970s few would have imagined what the next four decades would bring China s GDP has grown on average nearly 10 percent annually since and its economy is now the second largest in the world Forty years ago the Flying Pigeon bicycle ruled the roads today China is the world s largest car market And if forty years ago you looked out across the Huangpu River from the Bund in Shanghai you would have seen farmland and a few warehouses and wharves now you see the stunning futuristic cityscape of Pudong The material progress of the past forty years has been staggering a source of pride for the Chinese people as well as a source of legitimacy for the ruling Chinese Communist Party But that progress has come at great cost the extreme pollution of China s air water and soil has taken a stark toll on human health In Environmental Pollution in China What Everyone Needs to Know R Daniel K Gardner examines the range of factors economic social political and historical contributing to the degradation of China s environment He also covers the public response to the widespread pollution the measures the government is taking to clean up the environment and the country s efforts to lessen its dependence on fossil fuels and develop clean sources of energy Concise accessible and authoritative this book serves as an ideal primer on one of the world s most challenging

environmental crises Doing Business in China Giles Chance, 2022-12-20 Extensively revised the fifth edition of this successful textbook offers a practical framework for approaching and carrying out business in China Building on the strengths of the previous editions and on the 30 year China business experience of the author the book provides a guide to market entry managing operations and marketing in this unique social and cultural environment including Why foreign businesses in China need to understand and interact with government in China both central and local and how best to do this New and revised case studies including case studies on successful companies entering and operating in China such as Volkswagen Hermes Honeywell and Diageo An in depth focus on internet marketing in China Choosing business partners and negotiating Dos and don'ts Updated to include information on new government policy on trade partnerships commercial law and anti corruption drives the fifth edition of *Doing Business in China* will continue to be the preferred text for international students of Chinese business and management studies and for practitioners with an eye on China **Railroads and the Transformation of China** Elisabeth Köll, 2019-01-14 To convey modern China's history and the forces driving its economic success rail has no equal From warlordism to Cultural Revolution railroads suffered the country's ills but persisted because they were exemplary institutions Elisabeth Köll shows why they remain essential to the PRC's technocratic economic model for China's future **Inklings of Democracy in China** Suzanne Ogden, 2002 Since 1979 China's leaders have introduced economic and political reforms that have lessened the state's hold over the lives of ordinary citizens By examining the growth in individual rights the public sphere democratic processes and pluralization the author seeks to answer questions concerning the relevance of liberal democratic ideas for China and the relationship between a democratic political culture and a democratic political system The author also looks at the contradictory impulses and negative consequences for democracy generated by economic liberalism Unresolved issues concerning the relationships among culture democracy and socioeconomic development are at the heart of the analysis Nonideological criteria are used to assess the success of the Chinese approach to building a fair just and decent society *Competing Economic Paradigms in China* Steven Mark Cohn, 2017-09-05 When the Chinese economic reforms began in 1978 Marxist economics infused all the institutions of economic theory in China from academic departments and economics journals to government departments and economic think tanks By the year 2000 neoclassical economics dominated these institutions and organized most economic discussion This book explains how and why neoclassical economic theory replaced Marxist economic theory as the dominant economics paradigm in China It rejects the idea that the rise of neoclassical theory was a triumph of reason over ideology and instead using a sociology of knowledge approach links the rise of neoclassical economics to broad ideological currents and to the political economic projects that key social groups inside and outside China wanted to enable The book concludes with a discussion of the nature of economic theory and economics education in China today **Geek in China** Matthew B.
