*Documenting Impossible Realities* Susan Bibler Coutin, Barbara Yngvesson, 2023-04-15 *Documenting Impossible Realities* explores the limitations of conventional accounts through which belonging is documented

focusing on the experiences of adoptees deportees migrants and other exilic populations Susan Bibler Coutin and Barbara Yngvesson speak to the current historical moment in which the dichotomy between an above ground inhabited by dominant groups and an underground to which unauthorized immigrants political exiles and transnational adoptees are relegated cannot be sustained This dichotomy was made possible by the illusion that some people do not belong that some forms of kin are not real or that certain ways of knowing do not count To examine accounts that challenge such illusions Coutin and Yngvesson focus on the spaces between groups where difference is constituted and where the potential for new forms of relationship may be realized By juxtaposing and moving between entangled realities and modes of expression Documenting Impossible Realities conveys the emotional experience of oscillating between being here and gone legitimate and treated as counterfeit
