

# A Visit To A Museum

In New Delhi, I got a golden opportunity to visit the historic and famous National Museum. The building of the museum is majestic and sturdy and has many departments that cover various subjects and periods of history.

The entire museum is a treasure trove of India's great men and morals, historical facts, laurels and legends that are connected with the whole gamut of India's life and literature—whether they are poets or prose writers, dancers or dramatists, songsters or sculptors, scientists or galaxy-gazers, lawgivers or lexicographers, musicians or doctors.

For me the visit to the museum was a thrilling experience and what I saw and observed in the museum is one of the richest experiences of my life.
