War of Shadows Michael F Brown, Eduardo Fernández, 2023-09-01 *War of Shadows* is the haunting story of a failed uprising in the Peruvian Amazon told largely by people who were there Late in 1965 Ash ninka Indians members of one of the Amazon s largest native tribes joined forces with Marxist revolutionaries who had opened a guerrilla front in Ash ninka territory They fought and were crushed by the overwhelming military force of the Peruvian government Why did the Indians believe this alliance would deliver them from poverty and the depredations of colonization on their rainforest home With rare insight and eloquence anthropologists Brown and Fern ndez write about an Amazonian people whose contacts with outsiders have repeatedly begun in hope and ended in tragedy The players in this dramatic confrontation included militants of the Movement of the Revolutionary Left MIR the U S Embassy the Peruvian military a

renegade American settler and the Ash ninka Indians themselves Using press reports and archival sources as well as oral histories the authors weave a vivid tapestry of narratives and counternarratives that challenges the official history of the guerrilla struggle Central to the story is the Ash ninkas persistent hope that a messiah would lead them to freedom a belief with roots in eighteenth and nineteenth century jungle rebellions and religious movements *War of Shadows* is the haunting story of a failed uprising in the Peruvian Amazon told largely by people who were there Late in 1965 Ash ninka Indians members of one of the Amazon s largest native tribes joined forces with Marxist revolutionaries *War of Shadows* Gershom Gorenberg, 2021-01-19 In this World War II military history Rommel s army is a day from Cairo a week from Tel Aviv and the SS is ready for action Espionage brought the Nazis this far but espionage can stop them if Washington wakes up to the danger As World War II raged in North Africa General Erwin Rommel was guided by an uncanny sense of his enemies plans and weaknesses In the summer of 1942 he led his Axis army swiftly and terrifyingly toward Alexandria with the goal of overrunning the entire Middle East Each step was informed by detailed updates on British positions The Nazis somehow had a source for the Allies greatest secrets Yet the Axis powers were not the only ones with intelligence Brilliant Allied cryptographers worked relentlessly at Bletchley Park breaking down the extraordinarily complex Nazi code Enigma From decoded German messages they discovered that the enemy had a wealth of inside information On the brink of disaster a fevered and high stakes search for the source began *War of Shadows* is the cinematic story of the race for information in the North African theater of World War II set against intrigues that spanned the Middle East Years in the making this book is a feat of historical research and storytelling and a rethinking of the popular narrative of the war It portrays the conflict not as an inevitable clash of heroes and villains but a spiraling series of failures accidents and desperate triumphs that decided the fate of the Middle East and quite possibly the outcome of the war **War of Shadows** Leo J. Silbey, 2008-03-04 First rate military history A War of Frontier and Empire retells an often forgotten chapter in America's past infusing it with commanding contemporary relevance It has been termed an insurgency a revolution a guerrilla war and a conventional war As David J Silbey demonstrates in this taut compelling history the 1899 Philippine American War was in fact all of these Played out over three distinct conflicts one fought between the Spanish and the allied United States and Filipino forces one fought between the United States and the Philippine Army of Liberation and one fought between occupying American troops and an insurgent alliance of often divided Filipinos the war marked America's first steps as a global power and produced a wealth of lessons learned and forgotten
