Haviland, 2020-07-16 Reproduction of the original A Woman s Life Work by Laura S Haviland **The Hidden Power of a Woman** Mahesh Chavda, Bonnie Chavda, 2011-07-28 Women are searching for significance and status in our generation There is a holy restlessness concerning purpose as much as the yearning for power The Hidden Power of a Woman traces the tragedy in the garden where the woman seemingly lost and her garden to the modern day where women are still fighting to regain what they have lost The authors Bonnie and Mahesh Chavda show how modern feminism and religion have both failed in the quest to restore women to their rightful place in our society What is the answer The Chavdas show that her power influence and insight that was stolen in Eden and hidden for subsequent ages was returned back to her two thousand years ago when Christ cried out It is finished As the hidden power of God emerges in the woman who fully follows Christ get ready for empowerment in the church redemption in society miracles in the body and blessings on the human race unequal to any generation previous The new thing God began when he made a woman as the crowning glory of his creation work and was lost in that same Garden will be restored once again
