**Journals of the House of Commons** Great Britain. Parliament. House of Commons, 1742 The Novels of Charles A Word Fitly Spoken Les D. Maloney, 2009 A Word Fitly Spoken explores Lever: Roland Cashel Charles Lever, 1898 significant poetic devices within the four alphabetic acrostic psalms found in Book I of the Psalter The majority of scholarly opinion has been that these acrostics are poetically and artistically deficient due to the writers and editors preoccupation with the alphabetic pattern In contrast to this view A Word Fitly Spoken proposes that the acrostic pattern contributes to rather than detracts from the poetic artistry of these psalms In an effort to promote a holistic canonical reading of the four acrostic poems within Book I of the Psalter this study also examines the linguistic and grammatical connections within the text Such a close reading repeatedly demonstrates the emotive power and the imagination of this literature in contradiction to its supposedly stiff wooden nature A Word Fitly Spoken is attuned to the frequent plays on word and sound that occur throughout these four poems and as such would be useful in graduate courses on biblical interpretation Hebrew poetry or the Psalms Two Serious Ladies Jane Bowles, 2025-01-14 Two Serious Ladies by Jane Bowles is a daring and unconventional novel that explores the lives of two eccentric women seeking meaning and liberation in a world defined by societal norms and expectations With her sharp wit and singular voice Bowles crafts a story that is as enigmatic as it is compelling The narrative follows the parallel yet divergent journeys of Christina Goering a wealthy recluse with a penchant for self imposed challenges and Frieda Copperfield a restless woman who seeks freedom and adventure during a trip to Panama As their lives unfold both women make increasingly bold and unpredictable choices defying convention and embracing experiences that lead them into uncharted emotional and existential territory Through encounters with an array of colorful characters ranging from lovers and friends to strangers who challenge their perspectives Goering and Copperfield grapple with themes of desire identity and the pursuit of authenticity Their stories are laced with humor melancholy and a sense of the absurd reflecting Bowles s keen understanding of human complexity Richly atmospheric and boldly introspective Two Serious Ladies is a celebration of individuality and a critique of the societal pressures that constrain it Bowles s unique prose style and offbeat

sensibilities make the novel a cult classic resonating with readers who appreciate stories of self discovery told with wit poignancy and a touch of surrealism Perfect for fans of literary fiction and character driven narratives Two Serious Ladies remains a timeless exploration of the human condition offering a provocative and unforgettable reading experience
