A World Away

Nancy Grossman

A World Away:

A World Away T. J. Smith, 2007-08 To avert a potential underworld mutiny of horrific proportions these fifty insurrectionists were relocated through a portal from the pit of hell to the dark Eldritch Forest of another world parallel to our own Upon their banishment the condemned were transformed into half man and half serpent creatures Thirteen years ago William Clay then a mere child disappeared from a nearby forest never to be seen again Only recently his younger brother Dan acquired information on the forest fables from a questionable source After analyzing fact and legend Dan suspects that his brother may have fallen through the portal into the parallel world and is being held captive by the fifty fiends Join Dan and three friends as they embark on an out of this world journey where they are hunted by savage beasts along the footpath to a demonic castle Smith's pages within are your passport to A World Away where the unimaginable becomes reality the unnatural becomes the norm and the uninvited become fitting prey **A World Away** Nancy

Grossman, 2012-07-17 A summer of firsts Sixteen year old Eliza Miller has never made a phone call never tried on a pair of jeans never sat in a darkened theater waiting for a movie to start She's never even talked to someone her age who isn't Amish like her A summer of good byes When she leaves her close knit family to spend the summer as a nanny in suburban Chicago a part of her can't wait to leave behind everything she knows She can't imagine the secrets she will uncover the friends she will make the surprises and temptations of a way of life so different from her own A summer of impossible choice Every minute Eliza spends with her new friend Josh feels as good as listening to music for the first time and she wonders whether there might be a place for her in his world But as summer wanes she misses the people she has left behind and the Plain life she once took for granted Eliza will have to decide for herself where she belongs Whichever choice she makes she knows she will lose someone she loves A World Away Stewart O'Nan, 2003-10 While a son serves in World War II his

parents fight their own war infidelity their weapon Caught in the middle are the son's wife and a younger brother **A World Away** Andrea Leaphart Hill, 2008-07 The world is rapidly changing and not always for the best Do you ever want to leave this world and wonder if there is a better place in our galaxy Would it really be better How would you get there Well run with Realynn through her story of events and she'll show you the WAY After Realynn's parents are killed she goes to live with her aunt Ananine who is a little weird and mysterious Aunt Ananine is a naturalist who dabs into a lot of medicinal concoctions One day aunt Ananine answers a knock at the door which leads to her disappearance The abductor leaves behind a message that threatens Realynn's life and the time of its return Petrified Realynn searches the house for clues She finds none and in her frustration she falls into a deep sleep In her dream she receives clues to help her Following the instructions in her dream Realynn's journey begins In her quest to find her aunt and to save herself she is led to many strange places worlds away from her own In the end she gains possession of several valuable keys but will they be worth keeping A World Away Michael John Law, 2022-01-15 The 1950s and 1960s were a transformative period in Britain and an important

part of this was how Britons lives were changed when they began flying abroad for their holidays In *A World Away* Michael John Law investigates how something that previously only the rich could afford became available to working class holidaymakers *A World Away* moves beyond the big players in the tourist industry and technical accounts of the airplanes used by tour operators to tell the histories of the people who were there both tourists and tour guides using their personal testimonies Until now there has been uncertainty about the identity of these new tourists some feared they were working class intruders who might invade the pristine destinations favoured by the elite others claimed that most were from the middle class Using new data derived from flight accident investigations Law explains the complex origins of these new flyers In British society this unprecedented mobility could not go unpunished and the new tourists were lampooned in books and newspapers aimed at the middle classes Law shows how popular culture movies and music influenced the decision to travel and what actually happened when these new holidaymakers went abroad Law investigates the package tour industry from its mid century origins through its inherent weaknesses governmental interference and unforeseen world events that contributed to its partial failure in the early 1970s *A World Away* provides the definitive account of this important change in postwar British society

Half a World Away: a Love Least Expected Lee E. Carter, 2009-01-06 *Half A World Away* inspired by true events is an International Suspense Mystery Romance of a man whose entire adult life becomes plagued by a series of unfortunate events before his world begins to slowly become brighter At one time Jared Marchal was at the top of his game He had the promising military and police careers he always wanted was very well off financially enjoyed a great marriage and later welcomed a son on the way Beginning with a tragedy no one should endure Jareds perfect world progressively continues to crash around him Jared becomes a writer by chance and through an act of serendipity by his publisher he is contacted by a fellow writer Stasia from Russia an unlikely heroine who attempts to tear down the massive wall protecting his heart from any possibility of disappointment as well as any happiness Soon their love a passion so newly developed will be the only simple uncomplicated aspect of their lives together As the intrigue begins a volatile secret surrounding Stasia and its potential to change the world OPEC and war as we now know it in addition to her fathers own military past catapults them into an international event involving both their countries Governments double agents betrayal and murder all intrude among the many twists you never see coming as they collide forward into the storys climax The spirit of their personalities also shines as the jokes they play on one another during their times together are a welcome relief as well as some of the funniest situations ever written Author Lee E Carter through skillful adaptation of people from personal military and law enforcement experiences intertwines fiction and non fiction to create the distinctive personalities and action sequences of *Half A World Away*

Half a World Away Cynthia Kadohata, 2015-09 The new novel from a Newbery Medalist and National Book Award winner Eleven year old Jaden an emotionally damaged adopted boy feels a connection to a small weak toddler with special needs in Kazakhstan where Jaden s family is trying to adopt a normal baby
