A Second Coming:

Christ's Second Coming David Brown, 1868 *The Second Coming of Christ, and the Resurrection* Ephraim Currier, 1841

Second Thoughts about the Second Coming Joe Reeves, 2011-10 In the book *Second Thoughts About The Second Coming* teacher author and systems engineer Joe Reeves deals with many aspects of the idea of Jesus second coming that are seldom considered by modern Christians but he does so from the standpoint of asking several critical questions The basic questions he asks and answers in this book are can a book of scripture at some later date come to mean what it never meant Can a scriptural text at a later date come to mean what the author obviously did not intend it to mean to those of his original envisioned recipients to whom he wrote and a meaning that the first recipients simply would not have understood Then based on those answers he asks and answers several questions about Jesus resurrection His resurrected nature and His ascension Then based on the biblical answers to those questions asks and answers the question about whether or not Jesus and the biblical writers predicted a second coming Using those questions and the question of specifically what would those first century Christians have understood about what modern interpreters call Jesus second coming as the basis for study Joe uses his training and experience in systems thinking Bible history cultural anthropology and logic and philosophical realism to formulate a system of thinking that challenges many of the modern assumptions upon which the four most common doctrines about Jesus second coming are based For the person who wishes to learn more about how the first Christians would have used and understood the writings they received about Jesus and His life after His resurrection this book is a must read

I Believe in the Second Coming of Jesus Stephen Travis,1982

The Second Coming of Christ Aimee Semple McPherson,2014-05-05 The Lord will come again He promised us that But is His church ready We know neither the day nor the hour of Christ s return but we are instructed to be ready at all times Aimee Semple McPherson felt the urgency of this call and she urges the church to be ready for His glorious return Join Sister Aimee whom Time magazine named one of the most influential people of the twentieth century in discovering what the second coming of Christ means to the church today In this book she answers questions that face many believers Is Christ coming

How is He coming When is He coming For whom is He coming The harvest is ready and the Lord will come back to reap a bountiful mature body of believers Be prepared to rise up and meet Christ when He appears in the clouds of glory **The Second Coming** John MacArthur,2006-01-09 And if I go and prepare a place for you I will come again and will take you to myself that where I am you may be also John 14 3 ESV Jesus Christ was very clear One day He will return and none of us knows when Vocal fanatics claim to know the details of the Second Coming causing many Christians to all but ignore the good news that Jesus is coming again Yet God s own Word commands us to know the signs of the times to remain watchful and to be ready whenever Christ comes This book is a straightforward in depth exploration of the key biblical texts regarding the Second Coming most notably Christ s longest and most important eschatological message the Olivet Discourse As you study what the Word of God says about these matters it will stir in your heart an earnest longing for Christ s return as well as a certainty about how to live expectantly until He comes again **The Second Coming** Dr. Brian J. Bailey,2014-01-13 The Second Coming of Christ is one of the foremost topics of our day This anointed study by Dr Bailey will help to protect us from being deceived and misled by other false doctrines and will help the Church to be ready for the Second Coming Some of the topics that will be covered are A great worldwide spiritual awakening The rise of the ten kings in the restored Roman Empire The appearance of the two great witnesses The appearance of the Antichrist The Great Tribulation The Battle of Armageddon The final siege of Jerusalem The Second Coming of Christ **Discovering the Events of the Second Coming** Paul Bortolazzo,2018-08-14 WHAT EVENTS WILL TAKE PLACE DURING THE SECOND COMING OF CHRIST Discovering the events Jesus will fulfill during His Second Coming is the key to understanding The Revelation of Jesus Christ Paul Bortolazzo As we edge toward the Coming of our Lord the Holy Spirit is sending forth Watchmen teaching The Revelation of Jesus Christ Believers keeping the things written in this book are being blessed There is also a warning not to take away from the words of this prophecy For those who do God will take away their part in the Book of Life and the Holy Jerusalem If anyone takes away from the words of the book of this prophecy God shall take away his part from the Book of Life from the holy city and from the things which are written in this book Revelation 22 19 Today many believe the Second Coming is a single event Sadly when you begin with a false premise you always end with a false conclusion His Coming having a beginning and an ending is a profound revelation John wrote down the events Jesus will fulfill during His Second Coming The coming of The Son of Man The return of The Holy One The appearing of The Word of God The descent of The Lamb of God Why is this so important Discovering the events taking place before during and after the Second Coming will prepare you to overcome during the future Great Tribulation of the saints **The Second Coming of Jesus Christ** Hasanat Ahmad Syed,2009-04 For I tell you you will not see me again until you say Blessed is he who comes in the name of the Lord Matthew 23 39 Approximately three billion Christians and Muslims around the world hold the Second Coming of Jesus Christ as an article of faith Both the Holy Bible and Holy Qur an speak about this spiritually monumental event Has He come again Author Hasanat

Syed a journalist and research scholar has documented evidence supporting the appearance of the Second Coming He begins by describing four historical episodes that each occurred around the turn of the twentieth century and presents evidence of heavenly signs in each instance Drawing on his deep knowledge of the subject Syed combines thought from Christianity and Islam to marshal evidence with such conviction that nothing is left to doubt Distinguishing this work from others The Second Coming of Jesus Christ discusses this important event from a number of perspectives drawing together multiple sources throughout the text Christians Muslims and Hindus alike will be fascinated by this cogent discussion of an imminent Second Coming This book is a must read for anyone seeking answers to this heavily prophesized and centuries old enigma The Second Coming of Jesus - Think Again William H. Hogue,2011-12 The overarching theme of this book is that the Second Coming of Jesus happened in AD 72 and that therefore Jesus is not coming again to rapture the church The book lays out a thorough exploration in support of this theme Daniel s prophecies are foundational especially his prophecy of the Seventy Weeks in Dan 9 24 27 and his prophecy of four sequential Fertile Crescent Mediterranean empires see Dan 7 The Fourth Empire or the Roman Empire is the key to understanding my theme with stress on the meaning of the horns on the head of the Fourth Beast see Dan 7 7 8 As proof of my theme I use the Biblical code of two or three witnesses see e g Deut 19 15 Matt 18 16 John 8 17 and I John 5 8 The three witnesses I give are Daniel Jesus and the collective apostles all of whom taught and agreed that Jesus Second Coming would take place before Jesus generation passed away Matt 24 34 Furthermore I show how the epistles of the N T reflect this theme by citing scores of passages from them for my readers to consider Finally in Chapter Five of the book and in five appendixes I show how the Book of Revelation aptly interpreted fully agrees with this theme

Chronological Signs of the Second Coming of Christ Shaun Bailey,2015-02-17 The second coming of Jesus Christ will be a great day for the righteous and a dreadful day for those who are wicked This book is designed to prepare you to warn you and to answer your questions about the coming of Christ Ultimately the most important thing you can do is to prepare yourself to enter the presence of the Lord Signs is a scriptural guidebook on that journey Author Shaun Bailey has used modern technology and a lifetime of study to search the scriptures for clues that don t just identify the signs of the times but put them in a useful chronological order Over 540 scriptural references and quotes from the prophets are compiled to explore 37 signs in depth and in context This is the first book in a two part series and deals with the events of the sixth seal or the time period before the great and dreadful day of the Lord *The Second Coming of Christ* Greg Hinnant,2022-08-08 The second coming of Christ is the most anticipated consequential and controversial event since His Ascension For 2 000 years it has been loved hated dreaded and ignored Committed Christians have loved it sinners have hated it carnal Christians have dreaded it and lukewarm Christians have ignored it Thus it has been yearned for mocked feared and yawned at and yet debated ad nauseam But there it is in Jesus own immortal words I will come again John 14 3 Today a turbulent vortex of confusion and controversy swirls around just what Jesus meant and when He is coming This

powerful new book by Greg Hinnant seeks to quell the controversy and clarify the confusion by setting forth God's biblical prophetic plan for Christ's appearing, the rapture, and the amazing divinely scheduled events that follow on earth and in heaven. It also offers much detailed practical biblical teaching on how to be prepared for the rapture. Finally, it closes with a very thorough, informative, concisely written comparison of the major Christian End Times views. Many books present biblical prophecies about Christ's Second Coming but offer little or no Christian living instructions. Others present excellent Christian living instructions but do not interpret End Times prophecy. Rich with abundant prophetic and Christian living instructions, this book is truly unique. You will not find another like it. Described as a comprehensive handbook for the preparation of the bride of Christ, it is a must read for pastors, leaders, and anyone seriously desiring to be ready when Jesus suddenly appears to receive His church.

The Certainty of the Second Coming Ernest Edward Zinke, 2000 The Second Coming of Jesus is the capstone of Scripture. But how does it relate to other teachings of the Bible? In what way are doctrines that launched the Protestant Reformation foundational to the certainty of the Advent? Ed Zinke connects the dots to reveal not only a coherent system of truth we can trust, but a reliable God we can love. He shows that doctrine is not an end in itself but a means of understanding the One who is coming for us. This is a full message book. Foreword, Introduction, Is Christianity Christian? The Authority of the Bible and the Certainty of the Second Coming, Creation and the Certainty of the Second Coming, Of Relative Truths and Redemptive Symbols, The First Coming Prepares for the Second Coming, Salvation and the Certainty of the Second Coming, The Sanctuary and the Second Coming, Such a Cloud of Witnesses and the Second Coming, The Witness of the Remnant and the Second Coming, Should Our Nineteenth Century Prophetic Schema Be Revised? The Certainty of the Second Coming, The Millennium, the Destruction of the Wicked, and the New Earth, God Reveals His Righteousness.
