The invention of printing in the 15th century brought with it both a greater market and increasing restrictions including censorship and legal restraints on publication on the grounds of obscenity Because of this much of the production of this type of material became clandestine Michel Millot The School of Venus John Cleland Fanny Hill Daniel Defoe Moll Flanders Marquis de Sade The 120 Days of Sodom D H Lawrence Lady Chatterley's Lover Leopold von Sacher Masoch Venus in Furs Anonymous The Lustful Turk Anonymous The Romance of Lust Anonymous Autobiography of a Flea Anonymous The Way of a Man with a Maid Anonymous The Nunnery Tales Jack Saul The Eighteenth-Century British Erotica, Part I vol 4 Barbara M Benedict, 2024-10-28 This Sins of the Cities of the Plain set reprints many of the 18th century s most notorious works including eight from The Fifteen Plagues of a Maiden Head 1707 that resulted in highly publicized court battles and in some cases helped shape laws on censorship that survived into Spanish Erotic Cinema Santiago Fouz-Hernandez, 2017-04-13 The first comprehensive scholarly study of modernity Spanish erotic cinema from the 1920s until the present dayThis book covers a significant part of the history of Spanish film from the 1920s until the present day Starting with a study of the kiss in silent films the volume explores homoerotic

Pornographic Sensibilities Nicholas R. Jones, Chad Leahy, 2020-11-29 Pornographic Sensibilities stages a conversation between two fields Medieval Early Modern Hispanic Studies and Porn Studies that traditionally have had little to say to each other The collection offers innovative new approaches to the study of gendered and sexualized bodies in medieval and early modern textual production including literary and historical documents The volume's embrace of the interpretative tools of Porn Studies also inscribes a critical provocation in what ways can contemporary modes of reading the past serve to freshly illuminate not only the contours of that same past but also the very critical assumptions of the present upon which fields like medieval and early modern Hispanic Studies are built In this way Pornographic Sensibilities encourages at once both rigorous historicizations of pre and early modern culture and playful engagement with presentism considered here as a critical tool to undress the hidden assumptions of both past and present This move substantively challenges long held critical orthodoxies among scholars of pre Enlightenment periods for whom the very category of pornography itself has often problematically been framed as an anachronism when applied to their work Bisexuality and the Eroticism of Everyday Life Marjorie Garber, 2013-05-13 Bisexuality is about three centuries overdue nevertheless here it is a learned witty study of

source of fascination in media and popular cultural representations Yet why is it that we currently know so little about those who perform erotic dance for female customers or the experiences of these spectators themselves The result of a unique investigation within two of the UK s leisure venues Erotic Performance and Spectatorship seeks to rectify the aforementioned lack of insight Through vivid ethnographies of a lesbian leisure venue and a male strip show Pilcher's research advances key debates about the gender and sexual politics of erotic dance whilst simultaneously relating these to debates about the sex industry more widely This book also subverts previous assumptions that only women perform erotic dance and only men spectate Thus this book stands out amongst other academic accounts developing the debate beyond the established focus on erotic dance as either empowering or degrading This new contribution to the study of erotic dance which provides a fresh theoretical perspective combining queer and feminist theorising in addition to rich empirical evidence will appeal to academic researchers and both undergraduate and postgraduate students within the fields of sociology gender studies sexuality studies gay lesbian studies feminism and other neighbouring disciplines It will also be of interest to feminist and sex The Great New Wilderness Debate J.
