W. Earle, 2018-01-30 Excerpt from Third Pot Pourri I must apologise to the public for the apparent poor ness of idea in again repeating my somewhat tiresome title I heard Mr Motley the historian once say a title should be telling and selling A third pot pourri will very likely turn out to be neither of these but it seemed to me the most honest title I could think of towards those who were kind enough not only to read but to like my former books They may find the matter in this book better or worse the manner is exactly the same as before and it could hardly be otherwise at my age About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
