## **A True Disciple Of Christ:**

*Becoming a True Disciple: The Revolution of Spirit-Led Disciples of Christ* Dr. Stephen L. Gray, 2016-03-04 *Becoming a True Disciple* The Revolution of Spirit Led Disciples of Christ shares the experiences and insights of Dr Stephen L Gray He recounts his journey as a follower of Jesus Christ who heard heeded and acted on God s calling to become a missionary He followed that summons and traveled to the coastal regions of Tanzania and Kenya in East Africa There he worked as a witness to Jesus Christ sharing the gospel so that others might become disciples led by the Holy Spirit The narrative and reflection in *Becoming a True Disciple* leads the reader to contemplate topics like being a disciple spiritual growth the Holy Spirit a devotional life prayer honoring God s word renewing the mind creating a spiritual environment faith and joining in Christ s Great Commission *Becoming a True Disciple* The Revolution of Spirit Led Disciples of Christ resists falling into the trap of trying to teach discipleship as a process that one may implement

**Embracing Christ** Teri Metts, 2011-07-01 This twelve week study takes believers on a journey toward true discipleship as they examine what the Bible says about walking in Christlikeness walking in freedom and truth obeying Christ s commands making their lives a living sacrifice God s purpose in pruning refining and purifying His children taking their thoughts captive to the obedience of Christ sharing in the sufferings of Christ the truth of God s word the work of the Holy Spirit avoiding deceptive teachings and doctrines spiritual gifts standing firm when under spiritual attack

*Becoming Christ's Disciple* Durueke Nnaemeka, 2019-02-04 The heartbeat of God is that the whole world can be saved and for this passion that came from His Love Jesus Christ came and paid the debt of sin eternal condemnation and destruction that man could not pay It is not because man did not care to be saved but man did not qualify to save himself except Jesus Christ We cannot talk about discipleship without going back to the beginning which is the redemptive plan and purposes Studying the steps that Jesus Christ took in his plans to redeem man we discover that Jesus Christ knew the importance of discipleship throughout His earthly ministry that made Him to start with the making of disciples Vision thrive when there are disciples to further and spread it beyond borders Jesus Christ understood that if He raises true disciples that the gospel that He brought to mankind will reach other regions of the world with the help of His disciples If we disciples are not raised there will definitely be the challenge of transference of adequate knowledge and power to the coming generations And the Joy in the message of salvation is seen when disciples are made and the disciples raise more disciples The Church of Jesus Christ should invest more on raising true disciples and that is one major way of building a conquering Church We should begin raising men for Christ rather than raising men for individual denominations and local churches

Following Jesus Clay Pawley, 2011-05 Every born again believer must understand there is a distinct difference between having a relationship with God and walking in fellowship with God A true disciple of Jesus Christ will have both a personal relationship with Christ and also walk in constant fellowship with Him What does it mean to be a real follower of Jesus Christ Can your life pass the Biblical test of a true disciple of Jesus Is it possible to follow the Lord and walk

with God in this modern day in which we live If these are questions that have left you without a solid answer it s time to start Following Jesus Clay Pawley explains what it means to have a real relationship with Jesus Christ and what it takes to be one of His loyal disciples He examines real life issues such as the importance of giving forgiveness soul winning prayer baptism and discipleship Following Jesus will provide the inspiration that you need to restore the joy excitement and commitment of your spiritual life     **True Discipleship** John Koessler, 2003 In True Discipleship John Koessler provides a straightforward presentation of the characteristics Jesus required His disciples to possess As he offers teaching on the practice and responsibility of being a disciple readers will be stretched in their thinking and encouraged in their journey

Sold Jared Price, 2019-10-08 What is a disciple Is a disciple somehow different than a Christian Too many pastors authors bloggers social media posters and Christian video producers affirm a false dichotomy that being a disciple is somehow different from being a Christian The two are not separate but mutually inclusive A disciple is a Christian and a Christian is a disciple S O L D seeks to define the term disciple as Jesus meant it In the Gospels Jesus says every disciple will be marked by four specific characteristics A true disciple will be committed to sacrificing for Jesus obeying what He taught loving others in His name and discipling others to follow Him Within each mark is present a larger biblical theme that helps us evaluate and assess true Christianity in today s culture What others have said It has never been easy being a disciple of Jesus and that s probably more true today than ever before Our contemporary world presses us with distractions and calls us to follow anything but the costly way of the Lord Jared Price s book provides the necessary skills for those who want to make and become better disciples Rooted in sacrifice and obedience and marked by love and multiplication the disciple making model you ll find in this book will help pastors youth leaders and anyone involved in gospel work to lead others closer to Christ No page is wasted The content is gold You ll be glad you read this book Dr Bryan Litfin Ph D in Ancient Christianity from the University of Virginia prolific author including the Chiveis Trilogy and Editor at Moody Publishers Jared Price has provided a fantastic and helpful primer on the high cost of discipleship He has put the many pieces of the puzzle together to create a beautiful portrait of a true disciple of Jesus Dan Dumas CEO of Red Buffalo interim teaching Pastor former Vice President at Southern Baptist Theological Seminary and author of Live Smart A thorough foundation in the Word Not just one passage at a time dealing with the topics but numerous passages that speak to the characteristics of discipleship The style of writing makes reading feel like we were sitting together talking Dr R Stephen Coffey U S Director at Christar Jared Price s new book on discipleship is simply outstanding Price reminds us that there is no distinction in scripture between being a Christian and a disciple To be a disciple is to be sold out for Jesus in all areas of our lives Read this book at your own risk it may transform the way you think about your relationship with God and with others Dave Furman Senior Pastor Redeemer Church of Dubai author of Being There How to Love Those Who are Hurting Kiss the Wave Embracing God in Your Trials For more information about the author and about the book see [www.jaredmprice.com](http://www.jaredmprice.com)     **Growing True Disciples** George

Barna,2013-03-06 Christ's command to the church is clear Go therefore and make disciples of all nations It is in building disciples helping others to embrace Jesus Christ as Savior and Lord mature in him and then lead others to do the same that the Kingdom grows And when the Kingdom grows churches do too In *Growing True Disciples* respected author and researcher George Barna helps pastors and leaders assess how their churches are doing in fulfilling their role as disciplemakers And he reveals models and examples that will equip churches to dramatically increase their effectiveness As a result your church can begin to see more involved members who want to live out their faith in submission to God and joyfully share their resources to fulfill Christ's commission      *True Discipleship Companion Guide* John Koessler,2003-03 In *True Discipleship* and its companion guide Koessler provides a straightforward presentation of the characteristics Jesus laid out for His disciples As the author offers teaching on the practice of discipleship and the responsibility of being a disciple readers can be stretched in their thinking and encouraged in their journeys      *A True Disciple of Christ* Randy Wilson,2014-11-11 With all the confusion in the world today how does one become A True Disciple of Christ This book cuts through all the confusion and give you a clear path to becoming A True Disciple of Christ If you are striving to be a better person a better Christian and A True Disciple of Christ this book is for you Over 24 000 words and more than 90 pages long this is a serious guide with serious talk for seriously committed Christians who are striving to improve themselves This book can help you become A True Disciple of Christ      *True Disciple* Rod Nichols,2020-04-30 Throughout the Bible we find ordinary fallible people just like us These ordinary people did extraordinary things Then along came Jesus He said that his followers would do even greater things than he did A mind blowing promise Yet most believers haven't experienced the miracles we see in God's Word What is the difference between the people in the Bible and those sitting in any of our churches The answer to that question is found in Rod Nichols new book *True Disciple* Rod believes the Lord instructed him to write his true disciple story He was and still is one of those ordinary fallible people that God taught to be a true disciple of Jesus Christ Rod is real and transparent about his struggles doubts fears questions and failures He shares some amazing adventures and what he learned along the way With God's help these lessons could transform any ordinary person into a mountain moving true disciple In *True Disciple* Nichols hopes to motivate the church to love God with all they have and to love people as Jesus loved us to get out from those comfy seats and secure walls and go do what Jesus commanded preach the gospel to the world make disciples heal deliver and help those in need Are you ready for the adventure of a lifetime Would you like to have God use you to change the world around you *True Disciple* will prepare you for an amazing journey      *Disciples Indeed* Matthew Ball,2022-11-23 In St John 8:31 Jesus used the words disciples indeed which means true disciples If there are disciples indeed then there must also be those who claim to be a disciple but are not in fact a true disciple This small group or personal Bible study explores five principles of true discipleship It answers the question What does a true disciple of Jesus Christ look like *Disciples indeed* are more than Christians in title only *Disciples indeed* have experienced radical spiritual

transformation Disciples indeed have a deep personal relationship with Christ who is truly their Lord Disciples indeed are fulfilling their divine purpose and impacting the world around them through the love of Christ *Becoming a Follower of Jesus* Pastor Jim Kirkland, 2015-11-11 Are you living a weak Christian life Are you tired of saying prayers that go unanswered Have you failed to read and apply the book that God wrote finding it hard to get the points being made in Scripture In *Becoming a Follower of Jesus* author Pastor Jim Kirkland provides a Scripture fueled guide to true discipleship and how to become a genuine follower of Jesus Christ Based on his own personal transformation Kirkland helps you gain the knowledge and motivation to walk the walk that you talk in a new and powerful way He explains how to become a true disciple from the inside out pray powerfully and effectively study and apply Scripture to daily living and manage money and possessions like a disciple *Becoming a Follower of Jesus* launches Christians on a journey to grow as true disciples learning to live pray study and manage for Christ This new walk with Jesus will become more personal and will change your life forever Discipleship from Jesus'S Perspective George Gray, 2012-11-17 In this masterful work George Gray calls the church to live out the most natural expression of her love and obedience to the Master Grounded in careful exegesis comprehensive and sensitive to the complexities of modern life Gray examines the Gospels as a script that reveals not only how Jesus shaped the first disciples but how we must carry on making disciples in His name David B Capes Thomas Nelson Research Professor Houston Baptist University Discipleship is not about teaching someone to pray and read his or her Bible it is about learning how Jesus wants us to pray and read our Bibles Discipleship is not about the doctrine of the Church but the doctrine of Jesus Christ the head of the Church It is not about attending a church service but attending to the Lord Jesus's view of what it means to be the church In *Discipleship from Jesus's Perspective* author George Gray presents a guide for becoming a disciple the way Jesus intended that discipleship means adhering to His expressed will Gray carefully examines Jesus's pivotal statements regarding discipleship and unearths the key principles that transform the art of making a disciple from a subjective guessing game to an objective and definitive master plan Including purposeful questions and exercises *Discipleship from Jesus's Perspective* provides practical steps for following the master plan and applying the commands to everyday life to become a true disciple of Jesus **Discipleship in Education** Joseph Allotta, 2018-02-08 Students are often tested to evaluate their academic knowledge but few Christian schools use objective measures to determine if a student has become a true disciple of Christ Unfortunately there are few organizations that provide metrics for measuring biblical knowledge let alone any sort of comparative evaluation of students engaging in the Christian disciplines forming a biblical worldview or actually being impacted spiritually by the programs of the school No matter whose statistics one chooses to believe the inescapable truth is that the church is losing its young men and women at an alarming rate once they graduate from high school The solution to this problem is simple but increasingly difficult to solve with each passing year Discipleship is what is needed for young people to truly identify who they are in Christ so that they can begin to develop godly habits and ultimately grow in their

knowledge faith and desire to serve the Lord and his Kingdom Christian schools have some particular advantages in the area of discipleship however their full potential is at the moment untapped Discipleship in Education is about preparing everyone from administrators teachers pastors and parents to be ready to unleash that potential *The Anatomy of a Disciple* Rick Taylor,2013 Some believers boil the Christian life down to an easy formula Some believers fall into comparative Christianity assuming being better than average is better than nothing Other believers fake it trying to look and act like they think a Christian should But all these forms of Christianity are just settling for a cheap substitute for the real thing genuine discipleship So many followed Him So few were called disciples In *The Anatomy of a Disciple* Rick Taylor will help you become more aware of what God is already doing in your life so you can become a true disciple of Jesus Christ rather than just another follower at a distance The paperback edition includes a unique access code to the *Anatomy of a Disciple Self Assessment* which determines exactly how you are doing spiritually and provides a personalized report showing you where God may be specifically growing you right now *Who Are the True Disciples of Jesus Christ?* Bret Westwood,2015-02-11 Using the actual words of Jesus can one come to know on their own what Jesus said about who his disciples are Is there a simple yet complete answer to the question of who Jesus disciples are Is there an answer to this question that draws all disciples together regardless of which denomination they belong to Is there a way to share who Jesus is and who his disciples are with those who are not his disciples in a way that can be understood without a degree in Religion or Theology The answer to all these questions is yes Bret Westwood is a lifelong Christian He is married to Suzanne They have three children twelve grandchildren and eight grandchildren He is retired Bret and Suzanne live in Portland Oregon Bret is an ordained Elder in the Community of Christ church **How to Develop Into a True Disciple of Jesus Christ : 3 Vital Steps : from the Bible-teaching Ministry of** Graham, Paul M,1995 **Our Duty and Our Joy** Kim Seng Kuan,2008 **The Mark of a True Disciple** Shelby Pritchard,Elisabeth Pritchard,2024-04-03 The Gospel of Mark is the shortest and often the most neglected Gospel account In this collection of lessons originally given to a group of wonderful teens Shelby and Elisabeth Pritchard bring out some of the incredible life changing truths to be found in this fascinating account of the life and work of Jesus Christ the Son of God the Savior of humanity This collection of 24 lessons highlights and explains the main idea of each section pericope of Scripture by clearly communicating the context of each passage outlining it and then proceeding with the lightly edited lesson on that unit Each lesson is full of explanation illustration and application that will help bring out the incredible wonders of God s Word Biblically grounded and unflinchingly dedicated to the truth and relevance of the Bible we hope these lessons serve you well Feel free to enjoy them in personal study use this as a basis for a 6 month series or consult it from time to time while writing your own works Our only prayer is that this collection aids others in understanding who God is what he has accomplished for us and his mission for our lives To God be the glory *Scriptural Principles of a True Disciple of Christ* O.
