A Very English Scandal John Preston, 2018-05-08 The basis for the Emmy award winning limited series starring Hugh Grant and Ben Whishaw A behind the scenes look at the desperate scandalous private life of a British MP and champion manipulator and the history making trial that exposed his dirty secrets While Jeremy Thorpe served as a Member of Parliament and Leader of the Liberal Party in the 1960s and 70s his bad behavior went under the radar for years Police and politicians alike colluded to protect one of their own In 1970 Thorpe was the most popular and charismatic politician in the country poised to hold the balance of power in a coalition government But Jeremy Thorpe was a man with a secret His homosexual affairs and harassment of past partners along with his propensity for lying and embezzlement only escalated as he evaded punishment Until a dark night on the moor with an ex lover a dog and a hired gun led to consequences that even his charm and power couldn't help him escape Dubbed the Trial of the Century Thorpe's climactic case at the Old Bailey in London was the first time that a leading British politician had stood trial on a murder charge the first time that a murder plot had been hatched in the House of Commons And it was the first time that a prominent public figure had been exposed as a philandering gay man in an era when homosexuality had only just become legal With the pace and drama of a thriller *A Very English Scandal* is an extraordinary story of hypocrisy deceit and betrayal at the heart of the British Establishment
