Smalley,2020-11-16 The aim of systematic theology is to engage not only the head but also the heart and hands Only recently has the church compartmentalized these aspects of life separating the academic discipline of theology from the spiritual disciplines of faith and obedience This multivolume work brings together rigorous historical and theological scholarship with spiritual

disciplines and practical insights characterized by a simple accessible comprehensive Reformed and experiential approach In this volume Joel R Beeke and Paul M Smalley shift from the doctrine of God theology proper to the doctrine of humanity anthropology and the doctrine of Christ Christology This extensive reformed theology explores the Bible s teaching about who we are and why we were created as well as who Jesus is and why his divinity is essential to the Christian faith **The Theology of the Westminster Standards** J. V. Fesko,2014-06-30 For centuries countless Christians have turned to the Westminster Standards for insights into the Christian faith These renowned documents first published in the middle of the 17th century are still considered by many to be some of the most beautifully written summaries of the Bible s teaching ever produced Church historian John Fesko walks readers through the background and theology of the Westminster Confession the Larger Catechism and the Shorter Catechism helpfully situating them within their original context Organized according to the major categories of systematic theology this book utilizes quotations from other key works from the same time period to shed light on the history and significance of these influential documents **A View of the Covenants of Works and Grace; and a Treatise on the Nature and Effects of Saving Faith. To which are Added, Several Discourses on the Supreme Deity of Jesus Christ, Etc** Thomas Bell (Minister of the Gospel in Glasgow.),1814 The Covenant with Moses and the Kingdom of God Andrew J. Martin,2023-07-10 Covenant theology was a popular and controversial topic in early modern England In particular the biblical old covenant with Moses generated tremendous theological and political debates during the years of the English Civil Wars And yet the disciplinary boundaries of historical theology and the history of political thought make it hard to understand why early modern preachers and philosophers wrestled over this topic with such vigour This interdisciplinary historical theological study explains the development of the covenant theology in the major works of Thomas Hobbes and his contemporaries including Bishop Robert Sanderson and the puritan and presbyterian circles of the Westminster Assembly *A View of the Covenant of Grace from the Sacred Records* Thomas Boston,1827 *The Marrow of Certainty* Chun Tse,2023-06-12 Assurance was a central issue for the eminent Scottish theologian pastor Thomas Boston long before it emerged as a focal point of the theological debate in the Marrow Controversy In *The Marrow of Certainty* Chun Tse presents the first full length study of Boston s theology of assurance in six dimensions trinitarian covenantal Christological soteriological ecclesiastical and sacramental This work not only furnishes the first ever intellectual biography of Boston in his Scottish context and controversies but it also cross studies the theology of the Marrow of Modern Divinity with Boston s notes This research argues that Boston s doctrine of assurance centres on union and communion with Christ the architectonic principle of his theology The book challenges the common conception that Boston s theology merely follows Calvin the Scots Confession the Marrow the Westminster Standards and Scottish federalism Boston most strikingly holds in tension assurance as intrinsic to faith itself a gift from God s sovereignty in election while insisting on self examination as a human responsibility This salient mark of his doctrine of assurance originates from his assertion that Christ

died for the elect alone but all elect or not have the warrant to receive Christ As such assurance is theologically a divine gift and pastorally a human endeavour Certainty is thus both extra nos and intra nos Boston this study reveals has a potent and enduring power to speak on the perennial issue of assurance rooted in the person of Christ whom he considers as being the covenant itself *Covenant Theology* Guy Prentiss Waters, J. Nicholas Reid, John R. Muether, 2020-10-16 A Comprehensive Exploration of the Biblical Covenants This book forms an overview of the biblical teaching on covenant as well as the practical significance of covenant for the Christian life A host of 26 scholars shows how covenant is not only clearly taught from Scripture but also that it lays the foundation for other key doctrines of salvation The contributors who engage variously in biblical systematic and historical theology present covenant theology not as a theological abstract imposed on the Bible but as a doctrine that is organically presented throughout the biblical narrative As students pastors and church leaders come to see the centrality of covenant to the Christian faith the more the church will be strengthened with faith in the covenant keeping God and encouraged in their understanding of the joy of covenant life *The Federal Theology of Jonathan Edwards* Gilsun Ryu, 2021-07-07 The Christ centered exegesis of Jonathan Edwards Jonathan Edwards is remembered for his sermons and works of theology and philosophy but he has been overlooked as an exegete Gilsun Ryu s *The Federal Theology of Jonathan Edwards* explores how exegesis drove Edwards s focus on the headship of Christ as second Adam and likewise formed a foundation for his broader theological reasoning and writing especially on Christ and the covenants Edwards s distinctive emphases on exegesis redemptive history and the harmony of Scripture distinguish him from his Reformed forebears Ryu s study will help readers appreciate Edwards s contribution as an exegetically informed Reformed theologian

An Analytical Abridgment of the Commentaries of Sir William Blackstone on the Laws of England William Blackstone, John Anthon, 1832 **Covenant Theology in the Reformed Perspective** Mark W. Karlberg, 2000-07-31

Remembering the Covenants in Song Young-Sam Won, 2019-08-20 In biblical and theological studies fresh perspectives and novel approaches can breathe new life into familiar subjects *Remembering the Covenants in Song* reconsiders the Abrahamic and Mosaic covenant relationship through the unique biblical and canonical lens of a postexilic song In Psalm 105 the psalmist s intriguing intertextual engagement with both of Israel s great covenant traditions provides a rare glimpse into the covenant understanding of a postexilic biblical writer interacting with the Torah *Remembering the Covenants in Song* entails an intertextual study of Psalm 105 that brings the psalmist s rhetorical design and covenant references into a dialogue with the Torah s seminal covenant texts The examination of the psalmist s use of covenant references and allusions represents an innovative approach to assessing the rhetorical significance of intertextuality in biblical writings **Journal of Biblical and Theological Studies, Issue 4.2** Daniel S. Diffey, Ryan A.
