 history of what drove the Germans to fight and keep fighting for a lost cause in World War II In The German War acclaimed
 historian Nicholas Stargardt draws on an extraordinary range of firsthand testimony personal diaries court records and

 September 1939 it was deeply unpopular in Germany Yet without the active participation and commitment of the German
 people it could not have continued for almost six years What then was the war the Germans thought they were fighting How
 did the changing course of the conflict the victories of the Blitzkrieg the first defeats in the east the bombing of German
 cities alter their views and expectations And when did Germans first realize they were fighting a genocidal war Told from the
 perspective of those who lived through it soldiers schoolteachers and housewives Nazis Christians and Jews this masterful
