François Truffaut and Friends Robert Stam,2006 Drawing on Jules and Jim and other films by Francois Truffaut the author provides an in depth examination of the multifaceted relationship between Truffaut and Henri Pierre Roche the French writer and art collector The book also moves beyond Truffaut s films to explore the intertwined lives and works of other famous artists and intellectuals February 1933 Uwe Wittstock,2023-04-18 It all happened in a flash February 1933 was the month in which the fate of German writers as for so many others was decided In a tensely spun narrative Uwe Wittstock tells the story of a demise which was predicted by some but also scarcely thought possible He reveals how in a matter of weeks the glittering Weimar literary scene gave way to a long dark winter and how the net drew ever closer for Thomas Mann Bertolt Brecht Else Lasker Sch ler Alfred D blin and countless others Monday January 30 Adolf Hitler is sworn in as Chancellor of Germany Joseph Roth cannot wait any longer to learn what today s paper will report He leaves for the station early in the morning and takes the train to Paris bidding Berlin farewell comes naturally to him Meanwhile Thomas Mann barely spares a thought for politics during the next ten days focusing instead on his forthcoming speech on Richard Wagner Weaving an intimate portrait of the major figures whose lives he follows day by day Wittstock shows how the landslide of events which immediately followed Hitler s victory spelled disaster for the country s literary elite He resurrects the atmosphere of the times marked by anxiety for many by passivity and self betrayal for some and by grim determination for others Who will applaud the new dictator and who will flee fearing for their life Drawing on unpublished archival material this important work is both a meticulous historical narrative and a timely reminder that we must remain vigilant in the face of the forces that threaten democracy however distant the prospect of totalitarianism may seem **Daddies Explicit**
