A Taste for Brown Sugar Mireille Miller-Young, 2014-12-08 A Taste for Brown Sugar boldly takes on representations of black women's sexuality in the porn industry It is based on Mireille Miller Young's extensive archival research and her interviews with dozens of women who have worked in the adult entertainment industry since the 1980s The women share their thoughts about desire and eroticism black women's sexuality and representation and ambition and the need to make ends meet Miller Young documents their interventions into the complicated history of black women's sexuality looking at individual choices however small a costume a gesture an improvised line as small acts of resistance of what she calls illicit eroticism Building on the work of other black feminist theorists and contributing to the field of sex work studies she seeks to expand discussion of black women s sexuality to include their eroticism and desires as well as their participation and representation in the adult entertainment industry Miller Young wants the voices of black women sex workers heard and the decisions they make albeit often within material and industrial constraints recognized as their own A Taste for Brown Sugar Mireille Miller-Young, 2004 **Porn Work** Heather Berg, 2021-02-22 Every porn scene is a record of people at work But on camera labor is only the beginning of the story Porn Work takes readers behind the scenes to explore what porn performers think of their work and how they intervene to hack it Blending extensive fieldwork with feminist and antiwork theorizing Porn Work details entrepreneurial labor on the boundaries between pleasure and tedium Rejecting any notion that sex work is an aberration from straight work it reveals porn workers creative strategies as prophetic of a working landscape in crisis In the end it looks to what porn has to tell us about what s wrong with work and what it might look like to build Rethinking Women's and Gender Studies Volume 2 Catherine M. Orr, Ann Braithwaite, 2023-11-23 something better The second volume of Rethinking Women's and Gender Studies addresses the complexities and inherent paradoxes within the expansive knowledge project known as Women's and Gender Studies for audiences both inside and adjacent to the field Each of the volume s chapters identifies and critically examines a key term that circulates in this field exploring how the term has come to be understood and mobilized within its everyday narratives and practices In constructing provocative genealogies for their terms authors explicate the roles that this language and the narratives attached to it play in producing and limiting possible versions of the field The ongoing aim of Rethinking Women's and Gender Studies both in the original volume and this entirely new extension is to trace and expose important paradoxes ironies and contradictions embedded in the field from its high theory to its casual conversations that rely on these terms Forging collective conversation and intellectual community from its thoughtful and critical lines of inquiry the second volume of Rethinking Women's and Gender Studies remains bracingly original and full of fresh insight It provides a perfect complement for Feminist Theory Senior Capstone and introductory graduate level courses offered in Women s and Gender Studies and related fields A Black Women's History of the United States Daina Ramey Berry, Kali Nicole Gross, 2020-02-04 The award winning Revisioning American History
