came into my room in a wild state of agitation The chief says I may go down to Ninescore if I like Mary she said in a voice all a quiver with excitement You I ejaculated What for What for what for she repeated eagerly Mary don t you understand It is the chance I have been waiting for the chance of a lifetime They are all desperate about the case up at the Yard the public is furious and columns of sarcastic letters appear in the daily press None of our men know what to do they are at their wits end and so this morning I went to the chief Yes I queried eagerly for she had suddenly ceased speaking Well never mind now how I did it I will tell you all about it on the way for we have just got time to catch the 11 a m down to Canterbury The chief says I may go and that I may take whom I like with me He suggested one of the men but somehow I feel that this is woman s work and I d rather have you Mary than anyone We will go over the preliminaries of the case together in the train as I don t suppose that you have got them at your fingers ends yet and you have only just got time to put a few things together and meet me at Charing Cross booking office in time for that 11 0 sharp
