murderer to America's Sherlock Holmes these figures are more than historical runners up they're the spies explorers patriots and martyrs without whom history as we know it would be very different indeed *A Treasury of Deception* Michael Farquhar, 2005-05-31 We may say that honesty is the best policy but history to say nothing of business politics and the media suggests otherwise In this infinitely citable book the author of two bestselling treasuries of scandal recounts some of the greatest deceptions of all time With what forged document did the Vatican lay claim to much of Europe Who wrote Hitler's diaries Why do millions still believe the vague doggerel that Nostradamus passed off as prophecy Organizing his material by theme con artists the press military trickery scientific fraud imposters great escapes and more Michael Farquhar takes in everything from the hoodwinking of Hitler to Vincent the Chin Gigante's thirty year crazy act *A Treasury of Deception* is a zestful gossipy exposé and celebration of mendacity *A Treasury of Deception* also includes Ten tricksters from scripture Ten great liars in literature Ten egregious examples of modern American doublespeak Ten classic deceptions from Greek mythology *A Treasury of Deception* Michael Farquhar, 2005-05-31 We may say that honesty is the best policy but history to say nothing of business politics and the media suggests otherwise In this infinitely citable book the author of two bestselling treasuries of scandal recounts some of the greatest deceptions of all time With what forged document did the Vatican lay claim to much of Europe Who wrote Hitler's diaries Why do millions still believe the vague doggerel that Nostradamus passed off as prophecy Organizing his material by theme con artists the press military trickery scientific fraud imposters great escapes and more Michael Farquhar takes in everything from the hoodwinking of Hitler to Vincent the Chin Gigante's thirty year crazy act *A Treasury of Deception* is a zestful gossipy exposé and celebration of mendacity *A Treasury of Deception* also includes Ten tricksters from scripture Ten great liars in literature Ten egregious examples of modern American doublespeak Ten classic deceptions from Greek mythology *Recarving Rushmore* Ivan Eland, 2014-10-01 Who were the best and worst U S presidents In the past when historians and scholars have rated the presidents their evaluations often have been based on individual charisma activism and service during periods of crisis Taking a distinctly new approach in *Recarving Rushmore* Ivan Eland profiles each U S president from Washington to Obama on the merits of his policies and whether those strategies contributed to peace prosperity and liberty This ranking system is based on how effective each president was in fulfilling his oath to uphold the Constitution Contrary to the preferences of modern conservatives and liberals this oath was intended to limit the role of the federal government Readers will be intrigued to discover why of the four men given exalted representations on Mount Rushmore only Washington deserves the honor They will learn why Teddy Roosevelt has been overrated why Jefferson hypocritically violated his lofty rhetoric of liberty and why Lincoln provoked a civil war that achieved far less than believed Readers will uncover why some presidents are rated much higher than the conventional wisdom for example Warren Harding and some rank much lower for example Harry Truman As for more modern U S chief executives Republicans will be astounded to learn that Nixon was the last liberal president and that Reagan

wasn't all that conservative Democrats will be amazed to learn that Clinton was in some respects more conservative than George W. Bush and why both Obama and Bush are ranked as bad Readers will learn why the author goes against the grain and anoints Eisenhower and Carter as the two best modern presidents *The Founding Foodies* Dave DeWitt, 2010-11-01

Ever wonder how certain foods came to be such huge staples of American culinary history? In this fascinating mashup between history book and cook book, one of America's Founding Fathers could be at the source. Food writer Dave DeWitt entertainingly describes how some of America's most famous colonial leaders like George Washington, Thomas Jefferson, and Benjamin Franklin not only established America's political destiny but also revolutionized the very foods we eat. Beyond their legacy as revolutionaries and politicians, the Founding Fathers of America were first and foremost a group of farmers. Like many of today's foodies, they ardently supported sustainable farming and ranching, exotic imported foods, brewing, distilling, and wine appreciation. Explore their passion for the land and the bounty it produced through an intriguing narrative sprinkled with recipes that showcase their love of food and the art of eating that would ultimately become America's diverse food culture. Features over thirty authentic colonial recipes, including Thomas Jefferson's ice cream, a recipe for beer by George Washington, Martha Washington's fruitcake, Medford rum punch, Terrapin soup. **Home Field Advantage**, 2004

Tells the story of how Dayton, Ohio, and Wright Patterson Air Force Base became America's Cradle of Aviation.

Incomparable Grace Mark K. Updegrave, 2022-04-26

An illuminating account of John F. Kennedy's brief but transformative tenure in the White House from acclaimed author and historian Mark K. Updegrave, head of the LBJ Foundation and presidential historian for ABC News. Tremendously absorbing and inviting. An important book. Doris Kearns Goodwin. Elegant, concise, and knowing. Michael Beschloss. Rescues JFK from Camelot mythology. Richard Norton Smith. Nearly sixty years after his death, JFK still holds an outsized place in the American imagination. While Baby Boomers remember his dazzling presence as president, millennials more likely know him from advertisements for Omega watches or Ray-Ban sunglasses. Yet his years in office were marked by more than his style and elegance. His presidency is a story of a fledgling leader forced to meet unprecedented challenges and to rise above missteps to lead his nation into a new and hopeful era. Kennedy entered office inexperienced but alluring, his reputation more given by an enamored public than earned through achievement. In this gripping new assessment of his time in the Oval Office, Updegrave reveals how JFK's first months were marred by setbacks: the botched Bay of Pigs invasion, a disastrous summit with the Soviet premier, and a mismanaged approach to the Civil Rights movement. But the young president soon proved that behind the glamour was a leader of uncommon fortitude and vision. A humbled Kennedy conceded his mistakes and, importantly for our times, drew important lessons from his failures that he used to right wrongs and move forward undaunted. Indeed, Kennedy grew as president, radiating greater possibility as he coolly faced a steady stream of crises before his tragic end. *Incomparable Grace* compellingly reexamines the dramatic consequential White House years of a flawed but gifted leader too often defined by the

Affairs of State Robert P. Watson, 2012-09-06 In recent years Arnold Schwarzenegger Eliot Spitzer John Edwards Newt Gingrich Herman Cain and countless other politicians have made headlines for their sexual scandals But such stories are not new Indeed there is a long history of misbehavior in politics including in the nation's highest office Bill Clinton it can safely be said was not the first president to misbehave nor was he the worst In fact there is a long history of presidential peccadilloes Many presidents have been influenced and had their careers affected by the hand of a woman sometimes that of a wife or mother but at other times that of a mistress But these stories are rarely told Instead history has tended to glorify our leaders Such a scrubbed version of the lives of presidents however omits their marital woes love lives and sexual peccadilloes As Robert P. Watson reveals it is precisely these intimate and all too human moments that provide some of the most valuable insights into our leaders *Affairs of State* is not just about sex and scandal the who did it of history although such incidents are described in detail It is a book about love marriage and affairs in the White House offering an intimate character study of the First Couples who made history To see the author discuss his book on Inside South Florida please click here To see him discuss the book on C-SPAN please click here
