**A Walk in the Woods** Bill Bryson, 2010-09-08 NEW YORK TIMES BESTSELLER The classic chronicle of a terribly misguided and terribly funny The Washington Post hike of the Appalachian Trail from the author of A Short History of Nearly Everything and The Body The best way of escaping into nature The New York Times Back in America after twenty years in Britain Bill Bryson decided to reacquaint himself with his native country by walking the 2 100 mile Appalachian Trail which stretches from Georgia to Maine The AT offers an astonishing landscape of silent forests and sparkling lakes and to a writer with the comic genius of Bill Bryson it also provides endless opportunities to witness the majestic silliness of his fellow human beings For a start there's the gloriously out of shape Stephen Katz a buddy from Iowa along for the walk But A Walk in the Woods is more than just a laugh out loud hike Bryson's acute eye is a wise witness to this beautiful but fragile trail and as he tells its fascinating history he makes a moving plea for the conservation of America's last great wilderness An adventure a comedy and a celebration A Walk in the Woods is a modern classic of travel literature NOW A MAJOR MOTION PICTURE

**A Walk in the Woods** Nikki Grimes, 2023-09-12 In this moving account of loss a boy takes a walk in the woods and makes a discovery that changes his understanding of his father week after the funeral I stare in the morning mirror Angry that my father's eyes Stare back at me Confused and distraught after the death of his father a boy opens an envelope he left behind and is surprised to find a map of the woods beyond their house with one spot marked in bright red But why The woods had been something they shared together why would his father want him to go alone Slowly his mind settles as he sets off through the spaces he once explored with his dad passing familiar beech and black oak trees flitting Carolina wrens and a garter snake they named Sal When he reaches the spot marked on the map he finds pages upon pages of drawings of woodland creatures made by his father when he was his age What he sees shows him a side of his dad he never knew and something even deeper for them to share together His dad knew what he really needed was a walk in the woods New York Times bestselling author Nikki Grimes and the Caldecott Award winning illustrator Jerry Pinkney spent the early days of the pandemic emailing back

and forth and talking about collaborating on a book with Jerry sharing all of the pictures he took of the woods around his house From this they conjured a story of a boy s struggle with grief and all the things he sees and feels on a walk through the forest Jerry sadly passed away in the fall of 2021 but not before he delivered tight pencil sketches of the forests he loved When his son Brian took on the task of completing the illustrations he found himself connecting with his father in a whole new way his experience mirroring that of the boy in the book The result is a simultaneously touching and deeply authentic story about the ways shared pastimes keep us close to those we ve lost A New York Times Best Children s Book of the Year A Smithsonian Magazine Best Children s Book of the Year An NPR Book We Love A Kirkus Reviews Best Picture Book of the Year A Horn Book Fanfare Book A Bookstagang Best Illustrated Picture Book of the Year A Publishers Weekly Best Book of the Year A Shelf Awareness Best Book of the Year One of BookPage s Ten Best Books of the Year A CSMCL Best Multicultural Children s Book of the Year A Bank Street Best Children s Book of the Year A Junior Library Guild Gold Standard Selection An Evanston Public Library Great Book for Kids

**Quicklet on Bill Bryson's *A Walk in the Woods*: Rediscovering America on the Appalachian Trail** Tiffanie Wen,2012-02-16 ABOUT THE BOOK There was a time in my life when I wanted to be Bill Bryson when I thought If this is what a writer does I want to be a writer He has an uncanny knack for unearthing the hilarity in the most mundane and shoving it in your face for meeting the most insufferable strange and fascinating people for doling out the perfect amount of bitter sarcasm and for otherwise educating readers in an incredibly entertaining way He's the guy you want at your dinner party who you'd trust as your precious phone a friend I was in college the first time I stumbled upon the writer I wandered into a small bookshop one sunny afternoon to kill some time *A Walk in the Woods* was propped up in the travel writing section with a staff recommendation card that had one of my ALL TIME faves scrawled on it in thick black Sharpie ink I half wondered how a book with what I considered to be an unimpressive cover could be an ALL TIME fave so I flipped to a random page and started reading It's safe to say that within seconds I was smiling one of those broad dopey smiles and within minutes giggling stupidly to myself I'm pretty sure that I actually started to work up a sweat as I stood there in the now deafeningly silent shop reading in my overly warm university hoodie suppressing my would-be shrieks I've learned since then that Bryson should be read in the privacy of one's own home Where one can feel free to snort chuckle guffaw and otherwise revel in a cathartic case of the giggles I used to read passages

of Bryson out loud to a roommate of mine and can recall one particular scene from *Notes From a Small Island* that left us both short of breath for minutes But it was with Bryson's 1998 bestseller that I had my first affair and which has become albeit very unoriginally one of my all time faves MEET THE AUTHOR Tiffanie Wen is a professional writer from the San Francisco Bay Area who's written for Newsweek Flux Hawaii Ode Magazine and more When she's not working she enjoys exploring new places around the world and spending time with her dogs Rocky and Benny EXCERPT FROM THE BOOK After living in the UK for over 20 years famed travel writer Bill Bryson relocated his family to Hanover New Hampshire and discovered that the Appalachian Trail ran through his small town He decided to hike the 2 100 mile long trail and acquired the company of his old friend Stephen Katz Without taking notes on the trail Bryson still managed to write the wildly popular travel book published in 1998 that held a seemingly permanent residence on New York Times Bestseller list *A Walk in the Woods* is quintessential Bryson hilarious at times and frightening at others he takes the layman out into the woods without ever asking him to ever leave his home In 2008 Robert Redford confirmed rumors that there are plans to develop *A Walk in the Woods* into a feature film starring Redford as Bryson Today the book is still one of the most popular pieces of work written about the Appalachian Trail Buy a copy to keep reading [\*A Walk in the Woods\*](#) Kurt Bigbee,2019-10-06 Zeke and Riley began a quiet hike but the peace and silence of the woods was interrupted by a loud motor and crashing noises At first it looked like the beautiful forest was being cut down and destroyed Mommy explains that it's possible to harvest a forest without killing it They see that some harvested areas are growing seedlings and showing signs of new life They also learn that loggers leave trees in some areas to protect streams *A walk in the woods* is a fun adventure story that teaches the concept of stewardship that people can utilize resources and take care of the land at the same time Interactive activities await little learners at the end of the story to help reinforce these concepts *A Walk in the Woods* Lisa Musall,2019-03-18 Sometimes a simple day can turn out to be a fun lesson filled one with the right attitude and mindset Author Lisa Musall invites readers to take *A Walk in the Woods* and accompany the mother and son characters in this brightly illustrated and colored picture book Momma and her son Evan are about to spend an interesting day in the woods What will young Evan learn in their walk He will definitely see a lot of fascinating creatures There's a salamander sunning on the rock and a crayfish in the brook They will find some inchworms in a fallen log They will snack on berries and enjoy a wonderful sight of a deer and her fawn It will be a great way to spend the day With colorful pictures and a charming story line *A Walk in the Woods* is a fun way to enjoy some quality time with the little ones This book is available online and can be purchased at online bookstores [www.writersrepublic.com](http://www.writersrepublic.com) [www.amazon.com](http://www.amazon.com) and [www.barnesandnoble.com](http://www.barnesandnoble.com) ***A Walk in the Woods*** Isabel Gaines,RH Disney Staff,2001-01-23 Pooh and his friends explore the wonders of nature as they stroll through the woods Featuring two full sheets of peel and stick stickers
