The Age of Spectacular Death Michael Hviid Jacobsen, 2020-09-08 This book explores death in contemporary society or more precisely in the spectacular age by moving beyond classic studies of death that emphasised the importance of the death taboo and death denial to examine how we now do death Unfolding the notion of spectacular death as characteristic of our modern approach to death

and dying it considers the new mediation or mediatisation of death and dying the commercialisation of death as a marketable commodity used to sell products advance artistic expression or provoke curiosity the re ritualisation of death and the growth of new ways of finding meaning through commemorating the dead the revolution of palliative care and the specialisation surrounding death particularly in relation to scholarship Presenting a range of case studies that shed light on this new understanding of death in contemporary culture *The Age of Spectacular Death* will appeal to scholars of sociology cultural and media studies psychology and anthropology with interests in death and dying *The Age of Magic Omnibus* Keith B. Darrell,2022-07-15 All three novels in *The Age of Magic* story arc *Alterverse Warriors* and *Return of the Djinn* are collected in one huge omnibus edition A perfect companion to the *Halos Horns Omnibus* and the *Fangs Fur Omnibus* this volume is 7x10 like its predecessors and features brand new cover artwork and an interview with the author Clocking in at 586 pages *The Age of Magic Omnibus* contains the complete third story arc in the *Halo Horns* fantasy saga ***Destiny with Evil Book Two:The Age of Icemen*** Howard R. Vollmer,2013-02-15 The book is about people from another dimension People from our country found a portal which opens to a dimension where ancient people in the age of ice existed These men started to awaken and eventually formed a government which lead to the formation of armies which lead to fights and wars Trolldar a sorcerer from outer space then arrives to assist these men ***The Age of Solomon*** Lowell K. Handy,2023-08-14 The figure of King Solomon is central to our understanding of the history of Israel and Judah This volume of collected articles brings the reader up to date with the latest scholarship in the field The work consists of twenty four chapters and provides important studies in the historical approach to Solomon and to 10th century B C E Judah and Israel with archaeological surveys of the neighboring regions sociological surveys and literary readings of the biblical texts With suggestions for further research and indexes ***Witchcraft and Folk Belief in the Age of Enlightenment*** Lizanne Henderson,2016-04-08 Taking an interdisciplinary perspective *Witchcraft and Folk Belief in the Age of Enlightenment* represents the first in depth investigation of Scottish witchcraft and witch belief post 1662 the period of supposed decline of such beliefs an age which has been referred to as the long eighteenth century coinciding with the Scottish Enlightenment The late seventeenth and early eighteenth centuries were undoubtedly a period of transition and redefinition of what constituted the supernatural at the interface between folk belief and the philosophies of the learned For the latter the eradication of such beliefs equated with progress and civilization but for others such as the devout witch belief was a matter of faith such that fear and dread of witches and their craft lasted well beyond the era of the major witch hunts This study seeks to illuminate the distinctiveness of the Scottish experience to assess the impact of enlightenment thought upon witch belief and to understand how these beliefs operated across all levels of Scottish society *A Cultural History of Money in the Age of Empire* Federico Neiburg,Nigel Dodd,2021-03-11 The nineteenth century was a time of intense monetization of social life increasingly money became the only means of access to goods and services especially in the new metropolises new technologies and

infrastructures emerged for saving and circulating money and for standardizing coinage and paper currencies were printed founded purely on trust without any intrinsic metallic value But the monetary landscape was ambivalent so that the forces unifying monetary practice imperial and national currencies global monetary standards such as the gold standard coexisted with the proliferation of local currencies Money became a central issue in politics the arts and sciences and the modern discipline of economics was born with its claim to a monopoly on knowing and governing money Drawing upon a wealth of visual and textual sources A Cultural History of Money in the Age of Empire presents essays that examine key cultural case studies of the period on the themes of technologies ideas ritual and religion the everyday art and representation

interpretation and the issues of the age The Age of Ornan J. C. Pilcher,2015-10-06 The Blade has returned It has been restored The company is split and in shambles No longer knowing who is friend or foe the task of defeating Oruras seems more difficult than ever Only by the grace of Vashaar will the people of Domus Lux live to see the end of the war But Oruras is no longer silent He has marched on Domus Lux and will not stop until the nations are destroyed and Gollofar is restored to power Now the time has come for Oruras to answer for his tyranny Despite their many weaknesses the defenders of Domus Lux fight to give the Hero of Ornan the chance to return and face Oruras All of the pieces are in motion and this great fight has come to a head Soon the prophecies of Oruras will be fulfilled **Toys in the Age of Wonder** Mark Rich,2020-09-23 By

the middle 1800s toys were appearing in forms that drew upon and that inspired advances in areas such as optics biology geography transportation and automation In these decades too a new type of wonder tale was being brought to maturity by a Poe inspired Jules Verne The modern wonder tale s highly charged vision expressed the hopes and the fears and the delights and the traumas engendered by new worlds idealism that Western pursuit of both mechanical and geographical conquest Exploring realms belonging to childhood literature science and history this innovative study weaves together the histories of wonder tales and children s toys focusing specifically on their modern aspects and how they reflect and express the social attitudes of that time period beginning around 1859 and ending around 1957 **The age of invention** Holland

Thompson,1921 **Age-Differentiated Work Systems** Christopher Marc Schlick,Ekkehart Frieling,Jürgen Wegge,2013-03-14 The disproportionate aging of the population of working age in many nations around the world is a unique occurrence in the history of humankind In the light of demographic change it is becoming increasingly important to develop and use the potential of older employees This edited volume Age differentiated Work Systems provides a final report on a six year priority program funded by the German Research Foundation DFG and presents selected research findings of 17 interdisciplinary project teams The idea is that it will serve both as a reference book and overview of the current state of research in ergonomics occupational psychology and related disciplines It provides new models methods and procedures for analyzing and designing age differentiated work systems with the aim of supporting subject matter experts from different areas in their decisions on labor and employment policies Therefore over 40 laboratory experiments involving 2 000

participants and 50 field studies involving over 25 000 employees were conducted Further objectives of the edited volume were to provide a pluridisciplinary compilation of the extensive information acquired over the six year program period to illustrate the range of the research field and to convey an integrated understanding of age differentiated work systems to readers
