A Zen For Murder Mooseamuck Island Cozy Mystery Series Book 1:

Tempting The Rival Leighann Dobbs, Harmony Williams, 2016-11-11 When newly minted spy Lord Gideon Graylocke is asked to put his botany skills to the test and concoct a serum vital to the defense of England he eagerly agrees. Never mind that he has to combine forces with F Albright a crackpot scientist with whom he had recently been in a public feud. At least he'll have a chance to prove this crackpot's theories are pure bunk. Felicia Albright has been her own woman, answering to no one since the age of seventeen. But when the Duke of Tenwick elicits her aid in helping England, she can hardly refuse. Even more so when she finds out she'll be working with the annoying botanist who has been trying to disprove her research. What better way to help her country and prove that she is right? But when things don't go as planned, Felicia and Gideon have to not only fight their unwanted growing attraction but also the evil doer who seems intent on sabotaging their work. Even worse, it can only be someone within Tenwick Abbey that is trying to subvert their mission. Someone in their midst is an enemy spy. With their research in shambles and their lives in danger, Gideon and Felicia realize they can only trust each other. Will they be able to perfect the serum in time to protect England and themselves?

Charming The Spy Leighann Dobbs, Harmony Williams, 2017-02-11 If there's anything Joy Rocky Rookwood loves more than the plants, she tends to at Tenwick Abbey it's a challenge. That's precisely why she's agreed to become the latest spy in Morgan Graylocke's household. When she's tasked with going undercover as gardener in another house to ferret out a high level traitor, she jumps at the chance. The only fly in the ointment is that she has to take fellow botanist and also newly minted spy Edgar Catterson III with her as backup. Rocky and Catt rarely see eye to eye. Edgar Catt, Catterson III, has found new purpose in his role as a spy for the crown, so when the Duke of Tenwick gives him an assignment to go undercover, he rises to the challenge. Too bad he has to act as assistant to his prickly friend and fellow botanist Rocky. Working with her all day in the confines of the estate's hothouse is bad enough, but acting as her subordinate is almost too much to bear. But as Rocky and Catt try to figure out exactly who the spy is, they discover something neither expected: a growing attraction to each other. As their relationship heats up, the deadline to unmask the spy before he passes on damaging information at a masquerade ball is looming. Rocky and Catt must meet danger head on, even if it means losing each other to ensure the safety of their country.

Deceiving The Duke Leighann Dobbs, Harmony Williams, 2016-08-27 Well-mannered women don't have careers in 1806, so Philomena St. Gobain disguises herself as a man to attend the Society for the Advancement of Science meetings where she sells her inventions to a select, chosen few. The handsome Duke of Tenwick is not one of those chosen few, so when he corners Phil in the hallway during a clandestine meeting with one of her suppliers, she slips away as quickly as she can. Since she and the Duke have never been introduced and rarely travel in the same circles, Phil is hardly worried about him guessing her true identity until he shows up two days later at the ball she is holding with the missing piece from one of her most coveted inventions in his hand. Morgan Graylocke, the tenth Duke of Tenwick, takes the spy business seriously. Normally relegated to desk work, his brother's recent

marriage has given him an opportunity to work in the field He never imagined his first assignment would throw him in the path of someone as beautiful and intriguing as Philomena St Gobain But his delight soon turns to trepidation as he realizes it may not be a coincidence that Phil shows up at all the same locations where Morgan is sent to catch the traitor who is passing off information to the French Is it possible the woman he is falling for is the very spy he is looking to capture
