**California. Court of Appeal (4th Appellate District). Division 2. Records and Briefs** California (State)., **Globalization of Discovery** Lucas V.M. Bento,2019-11-21 Dispute resolution is ultimately a quest for curiosity and discovery However many jurisdictions do not afford an adequate level of discovery the process of obtaining information to prepare for trial Fortunately pretrial discovery is firmly entrenched in both state and federal laws in the United States and international litigants increasingly look to the U S s generous discovery tools particularly 28 U S C 1782 Section 1782 which

provides an avenue to access information from a person or entity residing or found in the United States for use in a foreign proceeding This book is the first to provide a comprehensive overview of the law and practice of this globally indispensable statute The author pursues Section 1782 s interpretation through U S federal courts synthesizes all major decisions in this area of law notes tensions and conflicts where applicable and provides practitioners and adjudicators worldwide with strategic and practical insights into the opportunities and constraints of Section 1782 applications Among the questions likely to be asked while considering a Section 1782 application the author offers detailed answers to the following and more Under what circumstances can Section 1782 be invoked What goes into an application How can a respondent or intervenor challenge it When is a person found in the district pursuant to Section 1782 Who qualifies as an interested person What is a foreign or international tribunal Can Section 1782 be used in aid of foreign arbitrations Can it be used before a foreign proceeding is filed Can discovery be obtained over documents located abroad How can the discretionary factors defined in Intel jurisdictional reach receptivity circumvention and burden be satisfied or challenged What circumstances have led courts to deny Section 1782 applications The author provides an introduction to U S discovery concepts and terminology with comparison to other tools of international discovery such as the Hague Evidence Convention In addition to providing extensive analysis of judicial decisions interpreting the Section 1782 statutory test and the Intel factors the book also surveys and synthesizes additional factors considered by the courts such as the role of good faith and the importance of timing With this invaluable book practitioners will be able to confidently invoke or defend a Section 1782 application in any U S District and maximize chances of success Adjudicators global law firms companies doing transnational business and international arbitration practitioners will approach any Section 1782 application with full awareness of applicable rules of procedure statutory and judicial tests and best practices California.
