Gerard, 2016-12-05

The first full length and comprehensive study of the illustrations of Sterne's work this book explores the ability of Sterne's texts to inspire the visual imagination It helps to explain why scores of editions of his fiction have been illustrated some profusely to fulfill the reader's desire as well as the artist's compulsion to visualize Sterne's words Gerard places his subject in a clear and innovative theoretical framework which opens the field to general word and image studies The author begins by examining the distinct varieties of pictorialism in Sterne's texts The remainder of the study takes into account three remarkable series of illustrations representing Trim reading the sermon didactic sentimentalism in A Sentimental Journey and Henry Mackenzie's Man of Feeling and the many and diverse portrayals of poor Maria to demonstrate the ways in which culture projects these texts differently through the various artists *The Palgrave Handbook of Affect Studies and Textual Criticism* Donald R. Wehrs, Thomas Blake, 2017-12-01 This volume provides a

comprehensive account of how scholarship on affect and scholarship on texts have come to inform one another over the past few decades The result has been that explorations of how texts address elicited shape and dramatize affect have become central to contemporary work in literary film and art criticism as well as in critical theory rhetoric performance studies and aesthetics Guiding readers to the variety of topics themes interdisciplinary dialogues and sub disciplinary specialties that the study of interplay between affect and texts has either inaugurated or revitalized the handbook showcases and engages the diversity of scholarly topics approaches and projects that thinking of affect in relation to texts and related media open up or enable These include but are not limited to investigations of what attention to affect brings to established methods of studying texts in terms of period genre cultural contexts rhetoric and individual authorship

Adaptations of Laurence Sterne's Fiction Mary-Celine Newbould, 2016-03-23 Exploring how readers received and responded to literary works in the long eighteenth century M C Newbould focuses on the role played by Laurence Sterne's fiction and its adaptations Literary adaptation flourished throughout the eighteenth century encouraging an interactive relationship between writers readers and artists when well known works were transformed into new forms across a variety of media Laurence Sterne offers a particularly dynamic subject the immense interest provoked by *The Life and Opinions of Tristram Shandy Gentleman* and *A Sentimental Journey through France and Italy* inspired an unrivalled number and range of adaptations from their initial publication onwards In placing her examination of Sterneana within the context of its production Newbould demonstrates how literary adaptation operates across generic and formal boundaries She breaks new ground by bringing together several potentially disparate aspects of Sterneana belonging to areas of literary studies that include drama music travel writing sentimental fiction and the visual Her study is a vital resource for Sterne scholars and for readers generally interested in cultural productivity in this period

A Sentimental Journey Illustrated Laurence Sterne, 2021-04-26 *A Sentimental Journey Through France and Italy* is a novel by Laurence Sterne written and first published in 1768 as Sterne was facing death In 1765 Sterne travelled through France and Italy as far south as Naples and after returning determined to describe his travels from a sentimental point of view The novel can be seen as an epilogue to the possibly unfinished work *The Life and Opinions of Tristram Shandy Gentleman* and also as an answer to Tobias Smollett's decidedly unsentimental *Travels Through France and Italy* Sterne had met Smollett during his travels in Europe and strongly objected to his spleen acerbity and quarrelsomeness He modeled the character of Smelfungus on him
