A Splendid Hazard Harold Macgrath,2020-05-22 A blurring rain fell upon Paris that day a rain so fine and cold that it penetrated the soles of men s shoes and their hearts alike a dispiriting drizzle through which the pale acrid smoke of innumerable wood fires faltered upward from the clustering chimney pots only to be rent into fragments and beaten down upon the glistening tiles of the mansard roofs The wide asphalts reflected the horses and carriages and trains and pedestrians in forms grotesque zigzagging flitting amusing like a shadow play upon a wrinkled wind blown curtain The sixteenth of June To Fitzgerald there was something electric in the date a tingle of that ecstasy which frequently comes into the blood of a man to whom the romance of a great battle is more than its history or its effect upon the destinies of human beings Many years before this date had marked the end to a certain hundred days the eclipse of a sun more dazzling than Rome in the heyday of her august Caesars had ever known Waterloo A little corporal of artillery from a cocked hat to a crown from Corsica to St Helena Napoleon

Splendid Hazard Harold MacGrath,2015-08-09 A foremost authority on pirates a megalomaniac descendent of Napoleon a secret agent an opera singer an unspoiled rich American beauty and others gather at a mansion for what was thought to be a pleasure cruise but is a search for buried treasure This adventure is told mainly through the eyes of an adventurous journalist but the deepest motives of many of these people are traversed as events rush towards the conclusion Who will panic who will hide who will step forward who will protect whom The mystery of the treasure ends up being secondary to how each person reacts to the pressure and temptations of which they are thrust So the real climax as in most MacGrath stories is in how true character and indeed heroism show in people both high born and common This is an enjoyable and gripping character study revelation
