

The king glanced down the lengthy line and sighed.

Well, they say it's bad luck to refuse a request at a wedding...

I TELL YOU WHAT—
I own some land at the edge of town that I have no use for.
If you plant it, and sell the harvest, you may keep half of the gold coins you make.

By the time Kamala reached the front of the long line of people waiting to chat up the king, His Excellency seemed tired and grumpy.

But Kamala didn't let that stop her.

Your majesty, I'm the humble bookkeeper whose honey you enjoyed so much. But sales are down, and my father and I are in trouble.

CAN YOU HELP US?

Kamala was thrilled, and thanked the King.

tumultuous events of 68 affected real people's lives and shaped the country we live in today. The sixteen connected stories in this exciting debut are set in the fictional Midwestern town of Gateway City where second generation off spring of the Great Migrants have pieced together a thriving if fragile existence. With police brutality on the rise, the civil rights movement gaining momentum and wars raging at home and abroad, Asim has conjured a community that stands on edge. But it is the individual struggles with love, childrearing, adolescence etc. lyrically chronicled here that create a piercing portrait of humanity. In *I'd Rather Go Blind* and *Zombies*, young Crispus Jones, who while sensitive to the tremors of upheaval around him, is still much more concerned with his crush on neighbor Polly and if he's ever going to be as cool as his brother. When Ray Mortimer, a white cop, kills the owner of his favorite candy store, Crispus becomes aware of malice even more scary than zombies and the ghost that he thinks may be haunting his house. In *The Wheat from the Tares* and *A Virtuous Woman*, Rose Whittier deals with her abusive husband with a desperate resignation until his past catches up with him and she's given a second chance at love. And Gabriel, her suitor, realizes that his whole hearted commitment to The Struggle may have to give way for his own shot at romance. And in *Ashes to Ashes*, we see how a single act of despicable violence in their childhoods cements a lasting connection between two unlikely friends. From Crispus' tender innocence to Ray Mortimer's near pure evil to Rose's quiet determination, the characters in this book and their journeys showcase a world that is brimming with grace and meaning and showcases the talents of a writer at the top of his game. **A Taste of Honey** Carol Grace, 1990-09

A Humble Romance and Other Stories Mary Eleanor Wilkins Freeman, 1895. These little stories were written about the village people of New England. They are studies of the descendants of the Massachusetts Bay colonists in whom can still be seen traces of those features of will and conscience so strong as to be almost exaggerations and deformities which characterised their ancestors. Author's preface to the Edinburgh Edition. The Story of Us Felicity Everett, 2014-11-27. It is 1982 and Thatcher is in Downing Street, Human League is in the charts and Dallas is on the telly. But the girls of Albacore Street are too busy to notice. For Stella, Bridget, Vinnie, Maxine and Nell, life revolves around discos, parties and no strings sex. Against a background of Greenham Common and the Miner's Strike, however, they are about to learn that life is not quite as simple as they thought. Twenty years on and they are juggling like mad, but dropping all the balls. Their partners are straying, their daughters want plastic surgery and their careers have stalled. Living increasingly separate lives, the tie that binds them grows thinner until tragedy brings them back together, giving them a chance to refocus themselves on their friendship, their misdirected lives and their survival.
