A Thousand Times:

Speak Once, Sell a Thousand Times: Leverage Your Voice Into Ongoing Profits Ahmed Musa ,2025-05-25 You've been lied to. They told you to post more, grind daily and chase leads. But the smartest creators? They speak once and get paid over and over again. **Speak Once, Sell a Thousand Times** is your punch in the gut, wake up call, and step-by-step playbook to turn your voice into a money-printing machine. Inside, you'll discover how to package your message into evergreen content that sells while you sleep. The secret to building authority with one signature message. Where to publish once and reap rewards for months or years. How to build trust fast and convert listeners into buyers without lifting a finger. The overlooked trick to turning podcasts, webinars, and talks into scalable income assets. This isn't about becoming an influencer. It's about becoming undeniable with content that works harder than you ever will. Talk less. Sell more. Get paid on repeat. This book shows you how.

A Thousand Times Ev Paxton, 2024 You've had an accident and now you're dead. You won't be any the wiser upon your return. Strange things start happening when college student Liv Bolan wakes up with a concussion after an accident. Her phone isn't an iPhone anymore, her walls aren't blue, and her BFF isn't dating a guy from one of their classes but has a girlfriend Liv's never met. Her life takes an even stranger turn when she sees a gorgeous singer who seems oh so familiar in a YouTube video. While something about him tugs at her, Liv is certain she's never met him. No one would ever forget that face. When the camera pans, she sees herself in the audience. The problem is she has no memory of attending the performance. But everybody has a double right. At least that's what she tells herself until the singer shows up at the campus coffee shop where she works and sparks start flying. Will Liv find a way to overcome past heartache, or will she risk her second chance with a guy she doesn't remember she loves? Ev Paxton's evocative debut novel *A Thousand Times* is a reincarnation with a twist: second chance romance that gives all new meaning to life after death.

The Complete Works Lysander Spooner, 2022-11-13 Lysander Spooner's *The Complete Works* is an extensive anthology that encapsulates the intellectual fervor of 19th-century America. This compendium showcases Spooner's penetrating arguments on topics such as individual liberty, natural law, and the critique of government, articulated through a literary style that marries rigorous logic with a passionate call for social reform. His essays, notably on the Constitution and abolition, reflect the radicalism of his time, positioning him as a preeminent voice in the libertarian tradition and a challenger of conventional political thought. Spooner, a lawyer and abolitionist, forged his ideas through personal experience and a profound commitment to justice and freedom. His background as an autodidact, combined with his practical legal acumen, propelled him to question prevailing social norms. His radical theories emerged during a pivotal time in American history, where debates around slavery, civil rights, and the role of government were hotly contested, providing fertile ground for his revolutionary ideas. *The Complete Works* is essential for readers interested in political philosophy, legal theory, and the evolution of libertarian thought. Spooner's mastery in articulating the principles of individual freedom challenges the reader to reconsider the foundations of government and the nature of human rights.
