A Vietcong Memoir:

A Vietcong Memoir Nhu Tang Truong, 1985 **A Vietcong Memoir** Truong Nhu Tang, 1986-03-12 An absorbing and moving autobiography An important addition not only to the literature of Vietnam but to the larger human story of hope violence and disillusion in the political life of our era Chicago Tribune When he was a student in Paris Truong Nhu Tang met Ho Chi Minh Later he fought in the Vietnamese jungle and emerged as one of the major figures in the fight for liberation and one of the most determined adversaries of the United States He became the Vietcong s Minister of Justice but at the end of the war he fled the country in disillusionment and despair He now lives in exile in Paris the highest level official to have defected from Vietnam to the West This is his candid revealing and unforgettable autobiography **Vietcong Memoir: An Inside Account of the Vietnam War and Its Aftermath** Truong Nhu Tang, Doan Van Toai, David Chanoff, 1986-03 The autobiography of Truong Nhu Tang who fought in the Vietnamese jungle and emerged as one of the major N Vietnamese figures in the fight for liberation **A Vietcong Memoir** Như Tảng Truong, David Chanoff, Van Toai Doan, 1985 Former Vietcong official tells what Vietnam thought it was fighting for what the reunified Vietnam was like and why he left **How Wars Are Won and Lost** John A. Gentry, 2011-11-10 This provocative book seeks to answer a most crucial and embarrassing question concerning the U S military why the United States is so often stymied in military confrontations with seemingly weaker opponents despite its superpower status This fascinating book examines a question that continues to puzzle soldiers statesmen and scholars why do major powers including the ostensible superpower United States repeatedly perform poorly against seemingly overmatched adversaries And what can they and the United States do to better achieve their military objectives **How Wars are Won and Lost** Vulnerability and Military Power argues that beyond relying solely on overwhelming military might the United States needs to focus more on exploiting weaknesses in their adversaries such as national will resource mobilization and strategic miscues just as opposing forces have done to gain advantage over our military efforts The author tests the vulnerability theory by revisiting six conflicts from the Philippine War of 1899 1902 to the ongoing actions in Iraq and Afghanistan showing again and again that victory often depends more on outthinking the enemy than outmuscling them *The Indochinese Experience of the French and the Americans* Arthur J. Dommen, 2002-02-20 Dommen s book promises to be the definitive political history of Indochina during the Franco American era William M Leary E Merton Coulter Professor of History University of Georgia This magisterial study by Arthur J Dommen sets the Indochina wars French and American in perspective as no book that has come before He summarizes the history of the peninsula from the Vietnamese War of Independence from China in 930 39 through the first French military actions in 1858 when the struggle of the peoples of Indochina with Western powers began Dommen details the crucial episodes in the colonization of Indochina by the French and the indigenous reaction to it The struggle for national sovereignty reached an acute state at the end of World War II when independent governments rapidly assumed power in Vietnam and Cambodia When the French returned the struggle

became one of open warfare with Nationalists and Communists gripped in a contest for ascendancy in Vietnam while the rulers of Cambodia and Laos sought to obtain independence by negotiation The withdrawal of the French after their defeat at Dien Bien Phu brought the Indochinese face to face whether as friends or as enemies with the Americans In spite of an armistice in 1954 the war between Hanoi and Saigon resumed as each enlisted the help of foreign allies which led to the renewed loss of sovereignty as a result of alliances and an increasingly heavy loss of lives Meticulous and detailed Dommen's telling of this complicated story is always judicious Nevertheless many people will find his analysis of the Diem coup a disturbing account of American plotting and murder This is an essential book for anyone who wants to understand Vietnam and the people who fought against the United States and won *Air University Review* ,1986-05 *The Second Indochina War* Ang Cheng Guan,2025-11-03 Drawing upon Vietnamese Chinese former Soviet and American sources Ang Cheng Guan provides an updated and concise account of the Vietnam War 1954-1975 from the Vietnamese communists perspective In the last few decades discourse on the Second Indochina War has shifted towards the South and its allies To mark the 50th anniversary of the fall of Saigon Ang revisits the experiences of the North Focusing on scholarship published within the last 30 years the book reexamines the 1954 Geneva Conference the end of the First Vietnam War through the Second Vietnam War to the 1975 Fall of Saigon bringing readers up to date on the current state of the field This book is a valuable resource for scholars and students of history war studies peace and conflict studies as well as for those interested in the historical and contemporary implications of the Vietnam War **Those Who Stayed** Claudia Krich,2025-04-01 An American Eyewitness in Vietnam at the End of War and Beginning of Peace By the end of the Vietnam War in April 1975 almost all Americans and thousands of terrified Vietnamese had left Saigon fearing the bloodbath predicted by many if the Communists took over But Claudia Krich and a few other humanitarian aid volunteers chose not to leave They had no weapons no cement barriers no bomb shelter and no safety but they were determined to remain in Vietnam to see what happened next *Those Who Stayed* is Claudia Krich's personal firsthand account of the collapse of the South Vietnamese government and the beginning of the new Provisional Revolutionary Government Her vivid impressions of those intense historic days emerge primarily from her journal capturing the uncertainty fear and excitement as the North Vietnamese soldiers arrived She intertwines personal sometimes heartbreaking episodes with major historic events Several short pieces by others with unusual firsthand knowledge enliven and contextualize the book Fascinating and unique engaging and entertaining *Those Who Stayed* is the extraordinary story of an adventurous young woman in the right place at the right time to chronicle a pivotal moment in history **The Post-Imperial Age: The Great Powers and the Wider World** J.P.D. Dunbabin,2014-07-15 This volume looks at the impact on the wider world of the end of the European empires and their replacement by a new international order dominated by East West rivalries After surveying the decolonization process the book looks successively at the different patterns of experience in Southern Africa South East Asia and India East Asia and the Pacific the Middle East and the Americas It

concludes with a sustained analysis of the International System the functioning of international organizations and the global role of money and trade **Tactical Air Power and the Vietnam War** Phil Haun,2024-01-18 A theory of tactical air power explaining US air power effectiveness in Vietnam and the modern air wars that followed **Fodor's Vietnam** ,2003 Fodor s Vietnam is the most up to date full color guidebook available This guide is loaded with photos essays on culture and history architecture and art itineraries walks and excursions descriptions of sights and practical information Vietnam Debbie Nevins,Audrey Seah,Charissa M. The Vietnam War: Vietnamese and American Perspectives Jayne Werner,Luu Doan Huynh,2015-02-18 This volume derives from an unprecedented seminar held at Columbia University s School of International and Public Affairs in November 1990 At the seminar leading Western diplomatic and military historians and Vietnam scholars met with prominent Vietnamese Communists to reflect on the Vietnam War The book contains four parts The Vietnamese Revolution and Political Military strategy the war from the American side the war in the South and Cambodia and retrospective and postwar issues In addition to Jane Werner and Luu Doan Huynh the contributors are Mark Bradley William Duiker David Elliott Christine White George Vickers James Harrison George Herring Ronald Spector Paul Joseph Jeffrey Clarke Ngo Vinh Long Benedict Kiernan Marilyn Young Keith Taylor and Tran Van Tra General Tra was Commander of the People s Liberation Armed Forces of South Vietnam from 1963 to 1975 His eye opening analysis of the Tet Offensive has never before been available in English **The Vietnam War** Jayne Susan Werner,Luu Doan Huynh,1993-03-31 In addition to Jayne Werner and Luu Doan Huynh the contributors are Mark Bradley William Duiker David Elliott Kristin Pelzer George Vickers James Harrison George Herring Ronald Spector Paul Joseph Jeffrey Clarke Ngo Vinh Long Benedict Kiernan Marilyn Young David Hung Keith Taylor and Tran Van Tra **Reader's Guide to Military History** Charles Messenger,2013-10-31 This book contains some 600 entries on a range of topics from ancient Chinese warfare to late 20th century intervention operations Designed for a wide variety of users it encompasses general reviews of aspects of military organization and science as well as specific wars and conflicts The book examines naval and air warfare as well as significant individuals including commanders theorists and war leaders Each entry includes a listing of additional publications on the topic accompanied by an article discussing these publications with reference to their particular emphases strengths and limitations **The Battle of Ap Bac, Vietnam** David M. Toczek,2001-04-30 Toczek provides the first description of the entire battle of Ap Bac and places it in the larger context of the Vietnam War The study thoroughly examines the January 1963 battle complete with detailed supporting maps Ironically

Ap Bac's great importance lies in American policymakers' perception of the battle as unimportant for all their intelligence and drive. Senior American government officials missed the early warning signs of a flawed policy in Southeast Asia by ignoring the lessons of the defeat of the South Vietnamese Army (ARVN) on 2 January 1963. The outcome of Ap Bac was a direct reflection of how the U.S. Army organized, equipped, and trained the ARVN. With all the ARVN officer corps's shortcomings, the South Vietnamese Army could not successfully conduct an American combined arms operation against a smaller, less well-equipped enemy. American leadership, both military and civilian, failed to draw any connection between ARVN's dismal performance and American policies toward South Vietnam. Although certain tactical changes resulted from the battle, the larger issue of American policy remained unchanged, including the structure of the advisory system.

Revolutionary Armies in the Modern Era S.P. Mackenzie, 2013-01-11. This presents a major re-evaluation of the standard view of revolutionary armies: the range of attitudes towards the role of heroic individuals; the formation and leadership of armies; and the differences and similarities between such armies. Beginning with an exploration of the New Model Army of the 1640s, a force whose name itself seems to denote its revolutionary credentials, the author presents ten case studies from around the globe, including the American War of Independence, The French Revolution, The Zulu, Boer War, the Waffen SS, and the Viet Cong. Through a detailed analysis of source material, he examines the images connected with these armies, both historical and recent, and assesses these images in their socio-political and nationalist contexts.

Pacification Richard A. Hunt, 2018-02-05. During the Vietnam War, the United States embarked on an unusual crusade on behalf of the government of South Vietnam. Known as the pacification program, it sought to help South Vietnam's government take root and survive as an independent, legitimate entity by defeating communist insurgents and promoting economic development and political reforms. In this book, Richard Hunt provides the first comprehensive history of America's battle for hearts and minds: the distinctive blending of military and political approaches that took aim at the essence of the struggle between North and South Vietnam. Hunt concentrates on the American role, setting pacification in the larger political context of nation building. He describes the search for the best combination of military and political action, incorporating analysis of the controversial Phoenix program and illuminating the difficulties the Americans encountered with their sometimes reluctant ally. The author explains how hard it was to get the U.S. Army involved in pacification and shows the struggle to yoke divergent organizations: military, civilian, and intelligence agencies, to serve one common goal. The greatest challenge of all was to persuade a surrogate, the Saigon government, to carry out programs and to make reforms conceived of by American officials. The book concludes with a careful assessment of pacification's successes and failures: Would the Saigon government have flourished if there had been more time to consolidate the gains of pacification? Or was the regime so fundamentally flawed that its demise was preordained by its internal contradictions? This pathbreaking book offers startling and provocative answers to these and other important questions about our Vietnam experience.
