*A Watermelon, a Fish and a Bible* Christy Lefteri, Quercus, 2019-08 A moving novel of love and war by the author of *The Beekeeper of Aleppo* It is July 1974 and on a bright sunny morning the Turkish army has invaded the town of Kyrenia in Cyprus For many people this means an end to life as they know it But for some it is a chance to begin living again Everyone has always talked about Koki They never believed she was her father's daughter and her mother died too soon to quiet their wagging tongues And when she became pregnant and there was no sign of a husband her fate was sealed So she lives outside the town and hides from her neighbours eyes But held captive with the very women who have made her life so lonely Koki is finally able to tell them the truth To talk of the Turkish shoe maker who came to the town and took her heart away with him when he left And how she has longed for him all these years Meanwhile Adem Berker finds himself back in Kyrenia his former home now as a member of the invading force Here he left everything he ever wanted and by cover of darkness risking his life he is searching every house every cafe every old pathway for just a glimpse of the only woman he has ever loved For readers of *The Island* *The Book Thief* and *The Kite Runner* *Greece Between East and West* Richard Pine, 2023-03-29 *Greece Between East and West* looks at the central geopolitical situation of Greece and its pivotal role in the Balkans and the Levant The trend towards modernisation and westernisation is examined in the light of traditional values in culture language history and politics which reflect Greece's eastern legacy and the continuing presence of that legacy in contemporary society It features original creative writing an interview with a leading film maker provocative accounts of political and cultural agitation on the Aegean islands aspects of Greek music and drama plus historical accounts of Greek cities like Smyrna Izmir and Alexandria and the new phenomenon of China's re-creation of the historic Silk Road Additionally *Greece Between East and West* features a Foreword by Roderick Beaton one of the most distinguished scholars and commentators on Greek history and social affairs and current Chair of the British School at Athens **Colonial and Postcolonial Cyprus** Daniele Nunziata, 2020-11-16 This book analyses colonial and postcolonial writing about Cyprus before and after its independence from the British Empire in 1960 These works are understood as transnational literatures in that they navigate the liminal and layered forms of colonialism which impede the freedom of the island including the residues of British imperialism the impact of Greek and Turkish nationalisms and the ethnolinguistic border between north and south This study puts pressure on the postcolonial discipline by evaluating the unique hegemonic relationship Cyprus has with three metropolitan centres not one The print languages associated with each centre English Greek and Turkish are complicit in neo-colonial activity Contemporary Cypriot writers address this in order to resist sectarian division and grapple with their deferred postcoloniality *The Book of Fire* Christy Lefteri, 2025-01-07 A tender depiction of loss and healing that raises questions about guilt and blame in the age of climate change People As with *The Beekeeper of Aleppo* Lefteri transports the reader to a once lush and now destroyed world Kristin Hannah 1 New York Times bestselling author of *The Nightingale* In

present day Greece deep in an ancient forest lives a family Irini a musician who teaches children to read and play music her husband Tasso who paints pictures of the forest his greatest muse and Chara their young daughter whose name means joy On the fateful day that will forever alter the trajectory of their lives flames chase fleeing birds across the sky The wildfire that will consume their home and their lives as they know it races toward them Months later as the village tries to rebuild Irini stumbles upon the man who started the fire a land speculator who had intended only a small controlled burn to clear forestland to build on but instead ignited a catastrophe He is dying although the cause is unclear and in her anger at all he took from them Irini makes a split second decision that will haunt her As the local police investigate the suspicious death Tasso mourns his father who has not been seen since before the fire Tasso's hands were burnt in the flames leaving him unable to paint and he struggles to cope with the overwhelming loss of his artistic voice and his beloved forest Only his young daughter who wants to repair the damage that's been done gives him hope for the future Gorgeously written sweeping in scope and intimate in tone The Book of Fire is a masterful work about the search for meaning in the wake of tragedy as well as the universal ties that bind people together and to the land that they call home **Cypria** Alex Christofi, 2024-05-09

A WATERSTONES BOOK OF THE YEAR 2024 A brilliant exploration of Cyprus's long history of cultural resilience Superbly composed Guardian Poetic Compelling New Statesman One of National Geographic's Summer Reads 2024 Think of a place where you can stand at the intersection of Christian and Arab cultures at the crossroads of the British Ottoman Byzantine Roman and Egyptian empires a place marked by the struggle between fascism and communism and where the capital city is divided in half as a result of bloody conflict where the ancient olive trees of Homer's time exist alongside the undersea cables which link up the world's internet In Cypria named after a lost Cypriot epic which was the prequel to The Odyssey British Cypriot writer Alex Christofi writes a deeply personal lyrical history of the island of Cyprus from the era of goddesses and mythical beasts to the present day This sprawling evocative and poetic book begins with the legend of the cyclops and the storytelling at the heart of the Mediterranean culture Christofi travels to salt lakes crusader castles mosques and the eerie town deserted at the start of the 1974 war He retells the particularly bloody history of Cyprus during the twentieth century and considers his own identity as traveler and returner as Odysseus was Written in sensitive witty and beautifully rendered prose with a novelist's flair and eye for detail Cypria combines the political cultural and geographical history of Cyprus with reflections on time place and belonging The Novel and Europe Andrew Hammond, 2016-10-05 This book examines the ways in which fiction has addressed the continent since the Second World War Drawing on novelists from Europe and elsewhere the volume analyzes the literary response to seven dominant concerns ideas of Europe conflict borders empire unification migration and marginalization offering a ground breaking study of how modern and contemporary writers have participated in the European debate The sixteen essays view the chosen writers not as representatives of national literatures but as participants in transcontinental discussion that has occurred across borders cultures and languages In doing so the

contributors raise questions about the forms of power operating across and radiating from Europe challenging both the institutionalized divisions of the Cold War and the triumphalist narrative of continental unity currently being written in Brussels

*Modern European Borders in Fiction* Andrew Hammond, 2025-09-18 There are few features of the contemporary world more significant than national and regional borders In modern Europe the practices of human division have defined the continent from the early years of the Cold War to the present barriers of Fortress Europe whose exposure of irregular migrants to trafficking discrimination and deportation is rarely absent from the daily news *Modern European Borders in Fiction* offers a comprehensive study of literary responses to the topic Through reference to over 600 novels and short stories Andrew Hammond analyses the wide ranging engagement of post 1945 novelists with the ideologies processes and effects of territorialisation as well as the related issues of military conflict migration populism nationalism and regionalism Among the topics under study are the ideological divisions of the Cold War the closed societies of totalitarian communism the labour migrations of the 1950s and 1960s the tightening of border controls from the 1970s the twenty first century war on migration the official restrictions on borderland communities the conflicts in Bosnia Georgia and Ukraine and the patterns of social segregation that have marked the continent from the Second World War to the present Drawing on theoretical work in the social sciences and the humanities this is a ground breaking contribution to European literary studies establishing the importance of continental border writing and opening up fresh avenues for decolonised teaching and research

**The Perfect Religion, A Beacon to the True Kingdom of God** Phillip Cimei, 2019-01-23 Is there such a thing as a perfect religion If so then why are there over 34 000 branches of the Christian faith If there is one true body of believers why do some feel like the following I need to wander around from church to church because I m not satisfied I m afraid if I make a mistake I m hell bound I m stuck in a lukewarm church with members who are satisfied with a mediocre religious life I m tired of that one doctrinal point that defines my church and excludes other Christians I m not sure if what the preacher is teaching is correct but I m afraid to buck the system The author having embraced all of these distressing feelings takes the reader on an unprecedented treasure hunt to find that illusive perfect religion And after fifty years of digging he might have hit the mother lode the Sermon on the Mount Will it satisfy those still searching for the truth Will it reaffirm the faith of those who have found the treasure Will this truth set those shackled to a confused state free The author addresses the problem head on He weaves through the maze of controversy theological mumbo jumbo and religious opinions to give answers to why there is so much division in the church and why so many wandering souls are searching if not in their heart from church to church He uses captivating illustrations a girl with a moose a boy ravaged with a flesh eating disease and a vulture eyeballing a starving child to bring to life Christ s quest to show those wandering souls the way Are you brave enough to take the journey Will I truly find God you ask I love those who love Me and those who seek Me diligently will find Me Prov 8 17

*The Fish Factory* Barbara J. Garrity-Blake, Barbara Jean Garrity, 2005 Focusing on the menhaden fishermen of the southern coastal regions The Fish Factory is an engaging and insightful exploration of what work means to different social groups employed within the same industry Since the nineteenth century the menhaden industry in the South has been traditionally split between black crews and white captains Using life histories historical research and anthropological fieldwork in Reedville Virginia and Beaufort North Carolina Barbara Garrity Blake examines the relationship between these two groups and how the members of each have defined themselves in terms of their work The author finds that for the captains and other white officers of the menhaden vessels men born and bred for a life on the water work is a key source of identity Black crewmen however have insisted on a separation between work and self they view their work primarily as a means of support rather than an end in itself In probing the implications of this contrast Garrity Blake describes captain crew relations within both an occupational context and the context of race relations in the South She shows how those at the bottom of the shipboard hierarchy have

exercised a measure of influence in a relationship at once asymmetrical and mutually dependent She also explores how each group has reacted to the advent of technology in their industry and most recently to the challenges posed by those proclaiming a conservationist ethic

**October 7** Asaf Romirowsky, Donna Robinson Divine, 2026-01-27 October 7 The Wars Over Words and Deeds is a collection of essays by scholars that seeks to analyze how words and imagery used to categorize the violence and savagery of the October 7th assaults by Hamas have been used to reframe the historical narrative of this century long conflict into an avalanche of antisemitism and cultural toxicity that has attempted to reshape American society impacting politics media and academia Edited by Jewish studies scholar and Middle East political scientist Donna Robinson Divine and Asaf Romirowsky historian and the executive director of both the Scholars for Peace in the Middle East SPME and the Association for the Study of the Middle East and Africa ASMEA the essays collected in October 7 The Wars Over Words and Deeds offer a mixture of data driven analysis with a careful account of narratives and ideology to measure how much of a footprint October 7 leaves on war and peace in the world going forward October 7 The Wars Over Words and Deeds exposes how Hamas savagery cast a destructive shadow not only over the men women and children caught on the battlefields of Gaza but also over the educators and journalists expected to explain why this atrocity occurred Despite its brutality Hamas won substantial support on campuses in the media and from an array of progressive movements This terrorist organization s attacks astonishing in their ambition can only be fully understood by examining not only what has happened to Israel Gaza and to the Middle East but also to a world forced to respond to domestic protests echoing and supporting Hamas savagery This distinctive volume illustrates the importance of engaging these complex issues with the rigors of scholarly tools Only with these skills can the deeper story of October 7 be fully told An essay from an undergraduate in the volume clarifies not only the importance of teaching students how to think about the Israeli Palestinian Conflict not what to think about it but also that it can be done The book shows that unless the nightmare that began on this fateful day is thoroughly understood we will all be condemned to repeating and reliving it
