All Things New John Eldredge, 2017-09-26 New York Times bestselling author John Eldredge offers readers a breathtaking look into God's promise for a new heaven and a new earth. This revolutionary book about our future is based on the simple idea that according to the Bible, heaven is not our eternal home; the New Earth is. As Jesus says in the gospel of Matthew, the next chapter of our story begins with the renewal of all things by which he means the earth we love in all its beauty, our own selves, and the things that make for a rich life: music, art, food, laughter, and all that we hold dear. Everything shall be renewed when the world is made new. More than anything else, how you envision your future shapes your current experience. If you knew that God was going to restore your life and everything you love any day, if you believed a great and glorious goodness was coming to you, not in a vague heaven but right here on this earth, you would have a hope to see you through anything, an anchor for your soul, an unbreakable spiritual lifeline reaching past all appearances right to the very presence of God. Hebrews 6:19. Most Christians, most people, for that matter, fail to look forward to their future because their view of heaven is vague, religious, and frankly boring. Hope begins when we understand that for the believer, nothing is lost. Heaven is not a life in the clouds; it is not endless harp strumming or worship singing. Rather, the life we long for, the paradise Adam and Eve knew, is precisely the life that is coming to us. And that life is coming soon.

All Things New Study Guide John Eldredge, 2017-09-26. Most Christians miss the ultimate hope for their future because their views of heaven are vague, religious, and frankly boring. Hope begins when we understand that for the believer, nothing is lost. Heaven is not an endless life of harp strumming and worship singing in the clouds. Rather, the life we long for, the paradise Adam and Eve knew, is precisely the life that is coming to us. And that life is coming soon. In this five-session study, John Eldredge explores the revolutionary idea that according to the Bible, heaven is not our eternal home; the New Earth is. Jesus said the next chapter of our story begins with the renewal of all things. Matthew 19:28, by which he meant the earth we love, ourselves, and all the things that make for a rich life: music, art, food, and laughter. God's promise is that everything shall be renewed when the world is made new. Part devotional, part adventure story, part field manual, this study will help you see the glorious future coming to you and provide hope as an anchor for the soul, firm and secure. Hebrews 6:19. Ideal for individual or group use, this guide includes personal reflection questions, targeted excerpts from *All Things New*, a Big Ideas overview, small group discussion questions, and group exercises. A leader's guide is also included for those facilitating a group. Sessions include: The Hope of Renewal, Creation Made New, Your Story Told Rightly, What We'll Do in the New Earth, The Power of Our Hope.
