

Presenting Average Highline: complete, compact, even more affordable.

Average Highline shown in Deep Ocean Metallic.

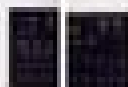

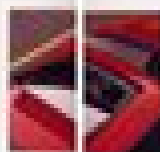

The intelligence of a design can be measured by its standard equipment. The Average Highline model is capable of delivering the road to you in a loaded mode. Yet it is an entry, compact, compact.

Highline passengers will appreciate the ease of entry to the same spacious rear seating capacity as the ES model — the rear leg, hip, and shoulder room that is so uncommon to vehicles.

Looking upon coupes, Drivers will appreciate the many packaging provisions presented by the split-folding rear seatbacks, which make allowances for the type of sporting gear, the size of cooler packs, sport-cage drivers like to transport.

A short, sweet list of options can be installed on either Highline or ES, even though both models are nearly equipped to begin with, so be sure to ask your dealer for information about the following very special additions:

**Optional Infinity stereo/CDs, stereo or hi-fi system.** This 400-Watt compact disc player is a complete sound system with five front speakers, stereo amplifier, and eight battery speakers strategically positioned

throughout the interior for accurate sound field reproduction. You get front-end control on the radio.

Standard on ES, and available for Highline, an 400-Watt stereo system with four doors is electronically tuned with auto-tune. The tape player has auto-reverse, locking front forward, and reverse. Twenty stations are programmable (FM and AM).

Because the disc CD-changer (available as a dealer-installed option, the multi-mounted compact disc changer (shown in center left) has a CD player/detector that's already built into the Infinity stereo system for good looks and ease of operation. Choose the music you prefer, and play it in the order you prefer.

**Available power windows** are designed to handle the airflow over

Average — even when open.

**Available safe and easy access.** Average's optional key ring activated electronic remote keyless entry system and vehicle theft security alarm are examples of our desire to make available every possible security from the year's peace of mind.

**Radio/cellular.** Your local Dodge dealer can provide a variety of cellular communication options. Your Average is ready to be equipped with such a unit. Ask your salesperson for details.
