Greek Mythology

Persephone and the Seasons:

In Greek mythology, Persephone was a goddess of spring. However, she was also the queen of the Underworld because she was kidnapped by Hades, the god of the Underworld. When Persephone was in the Underworld, the world became cold and barren, creating winter. When she returned to the surface, spring arrived, and flowers bloomed. This myth explains the changing seasons.

1. What is Persephone the goddess of?

2. Who kidnapped Persephone?

3. How does Persephone's presence affect the seasons?
