

## Waterways Continuing Problem

(This is a continuation of the Waterways Problem from [Chapters 1](#) and [2](#).)

### WCP.3

Based on the compatibility and efficiency of its newly designed sprinkler systems, Waterways was successful in its bid to upgrade the irrigation systems for 10 soccer fields owned by the local municipality. Three of the local installation operators were assigned to work on the upgrades because all these employees were familiar with the new systems. At the end of the first month of work, the following information was pulled from the work in process inventory records for the jobs that had been started by the three groups.
