Anthology of Classical Myth Stephen M. Trzaskoma, R. Scott Smith, Stephen Brunet, 2016-09-06 This new edition of Anthology of Classical Myth offers selections from key Near Eastern texts the Babylonian Epic of Gilgamesh Epic of Creation Enuma Elish and Atrahasis the Hittite Song of Emergence and the flood story from the book of Genesis thereby enabling students to explore the many similarities between ancient Greek and Mesopotamian mythology and enhancing its reputation as the best and most complete collection of its kind

Anthology of Classical Myth Thomas G. Palaima, 2004 A collection that provides selections from over 50 texts composed between the Archaic Age and the fourth century AD It represents Ancient interpretation of myth in selections from the allegorists Heraclitus Cornutus and Fulgentius the rationalists Palaephatus and Diodorus of Sicily and the philosophers and historians Plato and Herodotus

Classical Mythology: The Basics Richard Martin, 2022-10-21 This new edition introduces the core elements of ancient Greek and Roman narratives about immortal gods and heroic humans It explains how myths once shaped ancient ways of thinking and how they have fascinated and inspired artists writers musicians scientists and scholars since In six clear and concise chapters this book explains what myths are sketches the main stories about divinities heroes and heroines and explores through specific case studies the ways in which they influenced modern culture from Renaissance opera to contemporary video games and social movements The second edition also features a new chapter analyzing how myths have been used in politics from antiquity to the present day More than two dozen illustrations maps and charts complement the text No prior knowledge of mythology is assumed and the book incorporates the latest scholarship on classical mythology providing annotated lists of further readings Anyone who has encountered Greek or Roman myths in literature art or pop culture and wants to know more about the cultural contexts for the stories will benefit from this compact book Intended for a wide readership the second edition of Classical Mythology The Basics continues to offer a clear introduction to the subject for undergraduates scholars and the general reader

Animals in Greek and Roman Religion and Myth Patricia A. Johnston, Attilio Mastrocinque, 2016-08-17 This volume brings together a variety of approaches to the different ways in which the role of animals was understood in ancient Greco Roman myth and religion across a period of several centuries from Preclassical Greece to Late Antique Rome Animals in Greco Roman antiquity were thought to be intermediaries between men and gods and they played a pivotal role in sacrificial rituals and divination the foundations of pagan religion The studies in the first part of the volume examine the role of the animals in sacrifice and divination The second part explores the similarities between animals on the one hand and men and gods on the other Indeed in antiquity the behaviour of several animals was perceived to mirror human behaviour while the selection of the various animals as sacrificial victims to specific deities often was determined on account of some peculiar habit that echoed a special attribute of the particular deity The last part of this volume is devoted to the study of animal metamorphosis and to this end a number of myths that associate various animals with transformation are examined from a

Pauell, Robert Sigal, 2013 12 10 500 **Plato's Exceptional City, Love, and Philosopher** Nickolas Pappas, 2020-07-27 This book reconnoiters the appearances of the exceptional in Plato as erotic desire in the Symposium and Phaedrus as the good city Republic and as the philosopher Ion Theaetetus Sophist Statesman It offers fresh and sometimes radical interpretations of these dialogues Those exceptional elements of experience love city philosopher do not escape embodiment but rather occupy the same world that contains lamentable versions of each Thus Pappas is depicting the philosophical ambition to intensify the concepts and experiences one normally thinks with His investigations point beyond the fates of these particular exceptions to broader conclusions about Plato's world Plato's Exceptional City Love and Philosopher will be of interest to any readers of Plato and of ancient philosophy more broadly Primary Sources and Asian Pasts Peter C. Bisschop, Elizabeth A. Cecil, 2020-11-09 This conference volume unites a wide range of scholars working in the fields of history archaeology religion art and philology in an effort to explore new perspectives and methods in the study of primary sources from premodern South and Southeast Asia The contributions engage with primary sources including texts images material artefacts monuments as well as archaeological sites and landscapes and draw needed attention to highly adaptable innovative and dynamic modes of cultural production within traditional idioms The volume works to develop categories of historical analysis that cross disciplinary boundaries and represent a wide variety of methodological concerns By revisiting premodern sources Asia Beyond Boundaries also addresses critical issues of temporality and periodization that attend established categories in Asian Studies such as the Classical Age or the Gupta Period This volume represents the culmination of the European Research Council ERC Synergy project Asia Beyond Boundaries Religion Region Language and the State a research consortium of the British Museum the British Library and the School of Oriental and African Studies in partnership with Leiden University *Epos* Sarah P. Morris, Robert Laffineur, 2007 **A Short Introduction to Classical Myth** Barry B. Powell, 2001 For an undergraduate level course in Classical Mythology Helping students gain a more meaningful understanding of the origin of the concept myth in the ancient world this practical guide provides information on the social and historical background of classical myth as well as commentary on the primary literary texts most often read in courses on Greek myth including Homer Hesiod the tragedians the historians Ovid and Vergil Written by an internationally acclaimed scholar the book is an ideal supplement in courses using primary sources Penguin paperbacks of these texts are available shrink wrapped with this book **Plato's Statesman** John Sallis, 2016-11-28 Explores the interplay between the dramatic form of the dialogue and the basic themes it addresses The Statesman is among the most widely ranging of Plato's dialogues bringing together in a single discourse disparate subjects such as politics mathematics ontology dialectic and myth The essays in this collection consider these subjects and others focusing in particular on the dramatic form of the dialogue They take into account not only what is said but also how it is said by whom and to whom it is said and when and where it is said In

this way the contributors approach the text in a manner that responds to the dialogue itself rather than bringing preconceived questions and scholarly debates to bear on it The essays are especially attuned to the comedic elements that run through much of the dialogue and that are played out in a way that reveals the subject of the comedy In the Statesman these comedies reach their climax when the statesman becomes a participant in a comedy of animals and thereby is revealed in his true nature

HoneyVoiced James Bradley Wells,2024-03-07 This new translation of Pindar s songs for victorious athletes marries philological rigour with poetic sensibility in order to represent the beauty of his language for a modern audience as closely as possible Pindar s poetry is synonymous with difficulty for scholars and students of classical studies His syntax stretches the limits of ancient Greek while his allusions to mythology and other poetic texts assume an audience that knows more than we now possibly can given the fragmentary nature of textual and material culture records for ancient Greece It includes an authoritative introduction both to the poet and his art and to ancient athletics alongside brief orientations to the historical context and mythological content of each victory song The inclusion of a glossary supplies additional mythological and historical information necessary to understanding Pindar s poetry for those coming to the works for the first time His is the largest body of textual remains that exists for ancient Greece between Homer conventionally dated to 750 BCE and the Classical Period 480 323 BCE and constitutes a rich resource for politics history religion and social practices

Stronger Michael Joseph Gross,2025-03-11 A groundbreaking richly informative exploration of the central role of muscle in human life and health Stronger sounds an urgent call for each of us to recognize muscle as the vital inextricable and effective partner of the soul Even if you ve never picked up a weight Stronger is for you Arnold Schwarzenegger Stronger tells a story of breathtaking scope from the battlefields of the Trojan War in Homer s Iliad where muscles enter the scene of world literature to the all but forgotten Victorian era gyms on both sides of the Atlantic where women build strength and muscle by lifting heavy weights to a retirement home in Boston where a young doctor makes the astonishing discovery that frail ninety year olds can experience the same relative gains of strength and muscle as thirty year olds if they lift weights These surprising tales play out against a background of clashing worldviews an age old competition between athletic trainers and medical doctors to define our understanding and experience of muscle In this conflict muscle got typecast Simplistic binaries of brain versus brawn created a persistent prejudice against muscle and against weight training the type of exercise that best builds muscular strength and power Stronger shows muscle and weight training in a whole new light With warmth and humor Michael Joseph Gross blends history and firsthand reporting in an inspiring narrative packed with practical information based on rigorous scientific studies from around the world The research proves that weight training can help prevent or treat many chronic diseases and disabilities throughout the lifespan including cardiovascular disease cancer type 2 diabetes osteoarthritis and depression Stronger reveals how all of us from elite powerlifters to people who have never played sports at all can learn to lift weights in ways that yield life s ultimate prize the ability to act upon the world in the

ways that we wish Encyclopedia of Goddesses and Heroines Patricia Monaghan, PhD,2014-04-06 More Than 1 000 Goddesses Heroines from around the World Groundbreaking scholar Patricia Monaghan spent her life researching writing about and documenting goddesses and heroines from all religions and all corners of the globe Her work demonstrated that from the beginning of recorded history goddesses reigned alongside their male counterparts as figures of inspiration and awe Drawing on anthropology folklore literature and psychology Monaghan s vibrant and accessible encyclopedia covers female deities from Africa the eastern Mediterranean Asia and Oceania Europe and the Americas as well as every major religious tradition The Architecture of Influence Amanda Reeser Lawrence,2023-11-21 How do we create the new from the old The Architecture of Influence explores this fundamental question by analyzing a broad swath of twentieth century architectural works including some of the best known examples of the architectural canon modern and postmodern through the lens of influence The book serves as both a critique of the discipline s long standing focus on genius and a celebration of the creative act of revisioning and reimagining the past It argues that all works of architecture not only depend on the past but necessarily alter rewrite and reposition the traditions and ideas to which they refer Organized into seven chapters Replicas Copies Compilations Generalizations Revivals Emulations and Self Repetitions the book redefines influence as an active process through which the past is defined recalled and subsequently redefined within twentieth century architecture **The Nation** ,1916 **Directory of American Scholars: English speech and drama** ,1999 **Five Egyptian Goddesses** Susan Tower Hollis,2019-10-03 This volume explores the earliest appearances and functions of the five major Egyptian goddesses Neith Hathor Nut Isis and Nephthys Although their importance endured throughout more than three millennia of ancient Egyptian history their origins earliest roles and relationships in religion myth and cult have never before been studied together in detail Showcasing the latest research with carefully chosen illustrations and a full bibliography Susan Tower Hollis suggests that the origins of the goddesses derived primarily from their functions as shown by their first appearances in the text and art of the Protodynastic Early Dynastic and Old Kingdom periods of the late fourth and third millennia BCE The roles of the goddess Bat are also explored where she is viewed both as an independent figure and in her specific connections to Hathor including the background to their shared bovine iconography Hollis provides evidence of the goddesses close ties with royalty and in the case of Neith her special connections to early queens Vital reading for all scholars of Egyptian religion and other ancient religions and mythology this volume brings to light the earliest origins of these goddesses who would go on to play major parts in later narratives myths and mortuary cult **Choice** ,2008
