**Characters:** Wyatt, Olivia, John, Matt, and Madeline

**Setting:** A group of students is waiting for the bus stop when they see Madeline walking up to join them. Madeline keeps getting bullied by them because of her house, her family, and her clothes.

**Wyatt:** Great, Madeline is coming.

**Olivia:** Just look at her with those old, dirty clothes.

**John:** What's with that? Haven't her parents ever heard of a washing machine?

**Matt:** Well she's not standing by me...she smells so bad!

(Madeline walks up)

**Wyatt:** Hey there Ratty Maddy. Your brother still in jail?

**Olivia:** Is your house still small and dirty?

**Madeline:** Why are you being so mean? You don't know anything about me or my family.

**John:** We know enough to know that we don't want to be friends with you.

**Matt:** Maybe we will consider if you consider taking a shower.

**Madeline:** I've had enough. I'm going to tell the bus driver.

**Wyatt:** Go for it. She won't do anything. She will probably agree with us.

**Narrative as Writing and Literacy Pedagogy for Preservice Elementary Teachers** Nancy A. Wasser, 2021-08-16 I just cannot write or I am not a good writer are familiar complaints from students in academia Many of them claim they

cannot express themselves clearly in written text and their lack of this skill impedes them in their academic career In this book Nancy A Wasser argues that teachers can help solve this when they start viewing writing not as secondary to reading but as the equally important side of the same coin Those who cannot read will not be able to write Wasser explains how teaching and regular practicing of writing skills from an early age onwards helps children grow into students who are self aware of their voices By employing narrative as a process of learning to write and a way to read teachers can teach children the art of writing while also making children more aware of their own constructions of narrative Combining the focus on individual and group expression in writing lessons students can trace and reflect on their own life transformations through their writing process Good writers are not born that way but made through effort and practice Changes in curriculum may not only lead to better expressed citizens but also to more balance between teacher and children voices **Courageous Conversations in the Classroom** , **Sexuality Matters** James W.
