Blood and Germs Gail Jarrow, 2020-10-13 The science and grisly history of U S Civil War medicine using actual medical cases and first person accounts by soldiers doctors and nurses is explored in this fascinating nonfiction book for young readers The Civil War took the lives of hundreds of thousands of Americans and left countless others with disabling wounds and chronic illnesses Bullets and artillery shells shattered soldiers bodies while microbes and parasites killed twice as many men as did the battles Yet from this tragic four year conflict came innovations that enhanced medical care in the United States With striking detail this book by acclaimed writer Gail Jarrow reveals battlefield rescues surgical techniques medicines and patient care and celebrates the men and women of both the North and South who volunteered to save lives The first title in the Medical Fiascoes series

Lesser Civil Wars Marsha R. Robinson, 2012-12-05 *Lesser Civil Wars* Civilians Defining War and the Memory of War is an edited volume that surveys three hundred years of the Memory of war and the Will to war in the greater Ohio River Valley and Great Lakes region Military theorists from von Clausewitz to Dingiswayo and Chandragupta calculated the Will of their own soldiers and of the enemy s soldiers Sometimes the Will is assigned an erroneously low strength as Abraham Lincoln learned quickly at the onset of the United States Civil War In this volume we examine the civilian production of the national Will to fight future wars through the least civil war each individual s war to remember or to forget and no armistice or accord brings this internal battle to an end This is not a book about the atrocities committed during war This is a book about the very nature of the Will Memory Will cycle where the Memory of war continues for generations until a new war requires the resurrection of the Will As these essays show sometimes it only takes a few individuals to prosecute these Memory wars with rules of engagement that do not necessarily include civil behavior By focusing on microhistories from a specific region and by bracketing the US Civil War with an essay about a century prior to it and essays about the century following it we are able to demonstrate the power and energy of the incubating stage of Memory in the Will Memory Will cycle In the greater Ohio River Valley and Great Lakes region ordinary civilians controlled and incubated the memories of the Iroquois Wars the French and Indian Sevens Years War 1756 1763 the American Revolution 1776 1783 and the War of 1812 and they converted Memory into the Will to fight the US Civil War and the Vietnam War In these chapters we present micro wars between civilians over control of the Will of a nation They are indeed lesser civil wars

The Civil War in Popular Culture Lawrence A. Kreiser Jr., Randal W. Allred, 2014-01-14 Dividing the nation for four years the American Civil War resulted in 750 000 casualties and forever changed the country s destiny The conflict continues to resonate in our collective memory and U S economic cultural and social structures still suffer the aftershocks of the nation s largest and most devastating war Nearly 150 years later portrayals of the war in books songs cinema and other cultural media continue to draw widespread attention and controversy In *The Civil War in Popular Culture* Memory and Meaning editors Lawrence A Kreiser Jr and Randal Allred analyze American depictions of the war across a

variety of mediums from books and film to monuments and battlefield reunions to reenactments and board games This collection examines how battle strategies famous generals and the nuances of Civil War politics translate into contemporary popular culture This unique analysis assesses the intersection of the Civil War and popular culture by recognizing how memories and commemorations of the war have changed since it ended in 1865 *Historic Preservation* ,1994 **Civil War 100** Michael Lee Lanning,2007 The Civil War was the defining event in American history The Civil War 100 uses a truly novel approach to analyze the respective importance of the events leaders and battles of America s most important war Across this easily accessible reference readers meet not only such icons as Lincoln and Lee but also chronic fumlbers whose tarnished reputations have most often sunk beneath the notice of the endless waves of Civil War histories A recommended reference for the aficionado and the uninitiated alike Those well versed in Civil War lore will enjoy the intellectual challenge of supporting or debunking Lanning s rankings while the merely curious will be exposed to an insightful world of detail that they may have otherwise missed *ForeWord Magazine* *Battle of Antietam* Tom Streissguth,2016-08-15 This title covers the Civil War s deadliest one day battle discussing the critical elements of strategy tactics and leadership that led to a Union victory Gripping narrative text historic photographs and primary sources make the book perfect for report writing Features include a glossary additional resources source notes and an index plus a timeline and essential facts Aligned to Common Core Standards and correlated to state standards Essential Library is an imprint of Abdo Publishing a division of ABDO People, Land & Water ,2000 **Manual of Information Relative to the Philippine Civil Service Showing the Positions, Classified and Unclassified, the Methods Governing Examinations and Certifications for Appointment, the Regulations for Rating Examination Papers, Specimen Examination Questions, and Conditions of Appointment and Service** Philippines.
