Selling Yoga Andrea R. Jain, 2015 Selling Yoga looks at how modern yoga developed into the self developmental products and services that are widely consumed across the world today [My Body Is A Temple](#) Christina Sell, 2011-12-13 With the freshness of a memoir author and yoga teacher Christina Sell draws upon her first visit to an extraordinary temple in southern India to present basic

principles of yoga Beyond the ordinary aims of yoga as a means of stretching and strengthening or even for being happier or more centered My Body is a Temple is an instruction manual for dedicating oneself to a life of the spirit in and through the vehicle of the human body The body as a temple is a common metaphor within many spiritual traditions In this book Christina Sell delves into the how and why of this widely accepted comparison My Body Is a Temple will encourage readers to listen to and honor the body and to enter more fully into their everyday lives to see that each activity contains a Divine blueprint for success It will help any yoga student to reclaim the raw materials and energy always already present to build his or her body as a temple to provide refuge and sanctuary for themselves and inspiration for others While the author s tradition is that of Anusara Yoga a strongly heart centered approach the book is written for any hatha yoga aspirant or practitioner Her commitment is to traditional yogic practices and ideals without being rigid My Body Is a Temple is a vital and realistic treatment about the process of human change and transformation Beyond Fitness Yoga is a Means of Self Honoring and Spiritual Transformation This book will be well used by both students and teachers of yoga It should be included in all yoga and fitness centers and in popular library collections
