narrative in fact adds up to an indictment of men as both readers and lovers Eliciting a remarkably wide range of responses from readers and critics Fiammetta has been variously described as a pathetic victim of male cruelty an irresponsible fool of a girl a sophisticated cunning and wholly disingenuous female and finally a genuinely modern woman Whatever judgment we make of her Fiammetta stands out among medieval women as an ardent and outspoken feminist The Granite Monthly, 1890 Effect of Pornography on Women and Children United States.
